The foregoing officers were sworn to the faithful performance of their duties.

The necessary ballots prepared for each precinct, and the paraphernalia for the proper conduct of the Election were supplied by the Town Clerk and turned over to the Wardens of the various Precincts.

The Polls were declared open in each Precinct at seven o'clock A.M., and remained open until seven o'clock P.M. at which time, after due notice, they were declared closed.

Just prior to the closing of the Polls, the Town Clerk turned over to the Wardens of Precincts 1-2-4 the envelopes received by her purporting to contain Absent Voter Ballots, together with the applications filed by said voters for registration as Absent Voters. Immediately after the close of the Polls, the Wardens caused all the four (4) envelopes containing Absent Voter Ballots to be opened and signatures, affidavits, postmarks, etc. to be examined in accordance with Section 95, Chapter 54 of the General Laws, and any amendments there may be thereto, and all were found to be correct. The names of the four (4) Absent Voters were checked on the voting lists in the proper Precincts and then the four (4) Absent Voter Ballots were deposited in the proper Ballot Boxes.

The number of Absent Voter Ballots cast in each Precinct were as follows:

Precinct	1	2	3	4	5	6	Total
Absent Voter Ballots	1	1	0	2	0	0	4

The Ballots were counted by the Election Officers in each Precinct, the tally sheets and total vote sheets prepared by the Town Clerk being used, and the result of the same declared in the respective Precincts.

The Ballots cast, after being counted, were enclosed in envelopes, sealed and encased in cases which were strapped up and sealed with the Precinct Seal, and the same delivered to the Registrars of Voters in the Town Clerk's Office.

The Ballots not cast were encased in cases which were strapped up and sealed with the Precinct Seal, and the same were delivered to the Registrars of Voters in the Town Clerk's Office.

The Town Clerk and Registrars of Voters, upon receipt of the returns from the several precincts, forthwith canvassed the same and announced the results at 9:10 o'clock P.M. on March 5, 1945.

ANNUAL REPRESENTATIVE TOWN MEETING

MARCH 19, 1945

Pursuant to the warrant of the Selectmen served according to law upon the inhabitants of the Town of Winchester, Mass. by William H. Rogers, Constable of said Town, notices having been sent by mail by the Town Clerk seven days before the day of the meeting to the Town Meeting Members elected and qualified to act in Town Meetings in Winchester, the Town Meeting Members met in the Town Hall in said Town on Monday, March 19, 1945 at 7:45 o'clock in the evening.

A list of the duly qualified Town Meeting Members was used at the entrance to the meeting place and was in charge of Fred H. Scholl and Edward G. MacDonald, Election Officers. The list contained the names of two hundred twenty-five (225) Town Meeting Members qualified to vote and participate in Town Meetings in Winchester.

The check list filed with the Town Clerk at the close of the meeting showed that one hundred ninety-three (193) Town Meeting Members attended the meeting.

The meeting was called to order by Joseph W. Worthen, Moderator, at 7:52 o'clock P.M.

Joseph W. Worthen was sworn as Moderator by Mabel W. Stinson, Town Clerk.

Mabel W. Stinson was sworn as Town Clerk by Joseph W. Worthen, Moderator.

The Moderator read only the call of the meeting and the Constable's Return of the Warrant, as copies of the Warrant had been mailed to each one of the Town Meeting Members, and no one requested that the Articles should be read at this time.

The following Town Officers were sworn in by Joseph W. Worthen, Moderator:

Francis E. Smith, Commissioner of Trust Funds
Neil H. Borden, School Committee
Jennie C. Gates, Trustee of Public Library
Leon F. Sargent, Trustee of Public Library
Clarence P. Whorf, Water and Sewer Board

In opening the meeting, Joseph W. Worthen, Moderator, made the following remarks in presenting a resolution:

During the last three years the Annual Town Meeting, as you know, has been opened by a brief reference to those of Winchester in the service of their country. So long as we are at war the precedent is one which, I hope you agree, should not be broken. For though since last March the war has become more and more remote, with the fighting fronts to the east of us moving further east, and those to the west of us moving still further west, yet in a deeper and more vital sense the war has come closer and ever closer home. More of our boys and men are in the midst of constant hardship and extreme peril. More of them have been wounded; and more of them, of the noblest and best of them, will not return. As to them, in deepest sympathy for the families who are bereaved, and knowing so well our own irreparable loss, perhaps we can best say, simply, what was said by a great Canadian last summer:—"It is not the years they put into their life that count: it is the life they put into their years."

The losses, which we have suffered, and which unite us always more closely together in a common gratitude and a common obligation, are not only those in the armed services of the nation. It was said, long ago, that almost every institution is but the lengthened shadow of a man. This democratic institution, the New England Town Meeting, here in Winchester, is the lengthened shadow of many men, whose plans we are carrying always forward, and whose thoughts and visions we are proud to make our own. Henry Maguire, Charles Main, Jim Russell, Joe But-

ler, Burton Cary, Harrison Lyman, Harper Blaisdell, Ted Munroe, Charles Greene,—and so many more! It is they and our warm and grateful memories of each of them which make this meeting infinitely more than just another annual gathering, and which transforms it into a milestone in the long progress of a noble tradition, which we are all striving to preserve and to hand on unimpaired to our children and to their children after them.

And so, ladies and gentlemen, it is **RESOLVED** that we, the representatives of all our citizens, assembled in town meeting, and all those with us tonight, are mindful of those of Winchester who are separated from us,—whether by space or by time. We know that in our democracy, of which such a meeting as this is the very keystone, the worth of what we do and even the very privilege of our doing it at all are dependent on what they have done and are doing; and there goes out to them, wherever they may be, not only from our lips and our minds but from our hearts, a message of deep and everlasting gratitude.

VOTED, That the remarks of the Moderator in presenting the resolution which has just been adopted be printed along with the resolution as a part of the records of the meeting.

ARTICLE 1. To hear and act upon reports of the Town Officers and the Finance Committee.

VOTED, That the reports of the Town Boards and Officers, and the report of the Finance Committee, as printed, be received and placed on file.

VOTED, That it is the sense of this meeting that the Finance Committee, in its printed reports relating to departmental appropriations, state whether or not the department and the Finance Committee are in agreement; and if not, the amount of the difference, and the reasons therefor.

ARTICLE 2. To raise money by taxation to meet the payment of town bonds and notes becoming due in the current financial year.

VOTED, That forty-six thousand dollars (\$46,000) be appropriated for the payment of bonds and notes of the Town becoming due in the current financial year.

ARTICLE 3. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of revenue of the financial year beginning January 1, 1945 and to issue a note or notes therefor, payable within one year, and to refund any note or notes issued for a period of less than one year, in accordance with Section 17 of Chapter 44 of the General Laws.

VOTED, That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money, from time to time, in anticipation of the revenue of the financial year beginning January 1, 1945, and to issue a note or notes therefor, payable within one year, and to refund any note or notes issued for a period of less than one year, in accordance with Section 17 of Chapter 44 of the General Laws.

ARTICLE 4. To see if the Town will authorize the Town Treasurer, with the approval of the Selectmen, to borrow money, from time to time in anticipation of revenue of the financial year beginning January 1, 1946, and to issue a note or notes of the town therefor.

VOTED, That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money on and after January 1, 1946, in anticipation of the revenue of the financial year beginning January 1, 1946, and to issue a note or notes therefor, payable within one year.

ARTICLE 5. To see if the town will raise and appropriate a sum or sums of money for the payment to the County of Middlesex of amounts assessed upon or otherwise payable by the town for:

- a. Its proportion of the expenses incurred in the preceding year for the care and treatment of persons suffering from tuberculosis and for the care, maintenance, and repair of the hospital known as the Middlesex County Sanatorium;
- b. Its proportion of the principal of and interest on bonds issued to fund the cost of acquiring land and for the construction, equipment and other expenses on account of said hospital under Chapter 10 of the Acts of 1932 maturing and coming due in the current year;

- c. Its proportion of the principal of and interest on bonds issued to fund the cost of making alterations and constructing and equipping additions to said hospital and other expenses in connection therewith under Chapter 417 of the Acts of 1935 as amended by Chapter 205 of the Acts of 1937 maturing and becoming due in the current year;
- d. Any and all other expenses in connection with said hospital.

VOTED, That whereas the payment provided for hereby is required by law to be made, and the town will incur expense for interest if said payment be not made on or before the first day of April next, this vote is hereby declared to be an emergency measure necessary for the immediate preservation of the convenience of the town,

VOTED, That twelve thousand three hundred sixty-one dollars and seventy-nine cents (\$12,361.79) be appropriated for the payment of amounts assessed upon the town for:

- a. Its proportion of the balance of the cost of the maintenance, operation and repair of the hospital known as the Middlesex County Sanatorium, including interest on temporary notes issued therefor, for the previous year;
- b. Its proportion of the principal of and interest on bonds issued to fund the cost of acquiring land and for the construction, equipment and other expenses on account of said hospital, maturing and becoming due in the current year;
- c. Its proportion of the principal of and interest on bonds issued to fund the cost of making alterations and constructing and equipping additions to said hospital and other expenses in connection therewith, maturing and becoming due in the current year.

ARTICLE 6. To see if the town will take any action relative to providing additional salary or compensation for elected and appointed officers and employees of the Town as a temporary measure to meet increased costs in the present emergency, and will raise and appropriate money therefor.

VOTED, That the sum of eighty-seven thousand dollars (\$87,000) be and hereby is appropriated to provide extra compensation for services rendered and labor performed by town officers and employees during the current financial year as a temporary wage adjustment to meet increased living costs in the present emergency.

Payments from said sum are hereby authorized to be made for each payroll period, in such manner as to indicate the nature of the payments to each officer and employee of the town in amounts equal to twenty-three percentum of the regular salary or wages payable to him, provided, however, that said temporary wage adjustment shall not apply to that part of any salary which is in excess of the rate of thirteen hundred dollars (\$1300) per annum or wages in excess of twenty-five dollars (\$25) per week, or to any overtime or bonus payments made by the town, and that no payment shall be made hereunder to any officer or employee unless and until he shall have been in the service or employ of the town continuously for at least four weeks, after which the temporary wage adjustment shall be retroactive to the time when the service or employment commenced, or to the first day of January, if the services or employment commenced before that date.

Said payments are hereby authorized to be continued as departmental expense during the interval between the thirty-first day of December, 1945, and the time of making the next annual appropriation, under and subject to the provisions of Section 13 of Chapter 44 of the General Laws,

The action hereby taken, or taken by authority hereof, shall not be construed as permanently increasing salaries or wages, nor shall payments hereunder be deemed to be part of the regular compensation of any town officer or employee.

ARTICLE 7. To see if the town will accept Section 6-B of Chapter 40 of the General Laws which provides that "a city or town which accepts this section may appropriate money for the purchase of uniforms for members of its police and fire departments."

VOTED, That Section 6-B of Chapter 40 of the General Laws be and it hereby is accepted.

ARTICLE 8. To raise and appropriate money to defray the expenses of the Town for the current financial year and especially for any of the following purposes, and determine in what manner the same shall be raised and through whom it shall be expended:

VOTED, That a committee of three citizens of the town, to be appointed by the Moderator, is hereby established to study the question of whether fair and reasonable rates should be charged for the use of certain town facilities or whether all of certain town facilities should be given to cultural and civic organizations free of charge and to consider the advisability of establishing a uniform policy of such charges if any.

The committee is requested to prepare and submit a printed report of its findings and recommendations in season for consideration at the next annual town meeting.

COMMITTEE:

Elliott F. Cameron

Edgar J. Rich

Robert M. Stone

VOTED, That it is the sense of this meeting that the procedure followed this year as to departmental appropriations under Article 8 be followed next year.

VOTED, That if and when we adjourn, it be to Thursday Evening, March 22, 1945 at 7:45 o'clock.

ARTICLE 9. To see if the town will authorize the expenditure and appropriate a part of the Cemetery Fund for the care and maintenance of Wildwood Cemetery.

VOTED, That consideration of this article be indefinitely postponed.

ARTICLE 10. To see if the town will authorize the expenditure and appropriate a part of the Cemetery Fund for the embellishment and permanent improvement of Wildwood Cemetery.

VOTED, That the Board of Cemetery Commissioners and the Selectmen having reported that the sum of four thousand seven hundred dollars (\$4,700) of the Cemetery Fund is available for expenditure for the embellishment and improvement of Wildwood Cemetery, said sum is hereby appropriated therefor.

ARTICLE 11. To see if the town will raise and appropriate any sum or sums of money to be used with such sum or sums as may be made available from the State Highway Fund or allotted by the County Commissioners, for maintenance, repair, alteration, relocation or other improvement of town or county ways.

VOTED, That one thousand dollars (\$1,000), to be raised by taxation, be appropriated for expenditure by the Superintendent of Streets under the direction of the Selectmen, for maintaining, repairing, improving and constructing town or county ways, for a share of the cost of which the town is to be reimbursed by funds allotted by the Department of Public Works, or the County Commissioners, or by both, and that the further sum of two thousand dollars (\$2,000) be transferred from the Excess and Deficiency Account and appropriated for the purposes aforesaid, in anticipation of said reimbursement the proceeds of which, upon receipt, shall be credited to said account.

Provided, however, that if sufficient funds for reimbursement as aforesaid shall not be allotted or made available in season, in the opinion of the Selectmen, to enable the work to be done in the current year, and they shall so notify the Town Accountant, the said sum of one thousand dollars (\$1,000) shall be trans-

ferred and added to the appropriation made at this meeting for highways and bridges and surface drainage.

ARTICLE 12. To see if the town will appropriate money or take any action for the purpose of complying with the provisions of Chapter 419 of the Acts of 1943 entitled: — An Act Providing for Special Funds to Meet the Liability of the Commonwealth and Political Sub-divisions Thereof to pay Contributions to Contributory Retirement Systems on Account of Members Thereof in the Military or Naval Service.

VOTED, That to provide funds to carry out the provisions of Section 9 of Chapter 708 of the Acts of 1941, as required by the provisions of Section 9A of said Chapter there be appropriated three hundred and seventeen dollars (\$317) being a sum equal to one-half of the amount which would have been paid into the Teachers' Retirement Fund by teachers in the public school of the town who are members thereof and are on military leave of absence, had they remained in the service of the town during the preceding financial year.

ARTICLE 13. To see if the town will raise, or transfer from available funds in the treasury, and appropriate money for the purchase of defense bonds, war bonds or other bonds issued by the federal government, or other bonds which are legal investments for savings banks, for the post-war rehabilitation fund established under the provisions of Chapter 5 of the Acts of 1943.

VOTED, That two hundred thousand dollars (\$200,000) be transferred from the Excess and Deficiency Account and appropriated for the purchase by the Treasurer, with the approval of the Selectmen, of war bonds or other bonds heretofore or hereafter issued by the Federal Government for the Post-War Rehabilitation Fund established by vote of the special town meeting held March eleventh, nineteen hundred and forty-three, under the provisions of Section 1 of Chapter 5 of the Acts of the General Court in the year 1943.

VOTED, That we take up Article 24 for consideration with Article 14.

ARTICLE 14. To see if the town will appropriate money for the improvement and maintenance of the new town dump north of Swanton Street, and for the purchase of equipment therefor. (Board of Health.)

ARTICLE 24. To hear and act on the reports of committees heretofore appointed by the town; to appoint other committees, and to appropriate money for the necessary expenses of committees.

VOTED, That the report of the Committee on Town Dump be received and placed on file and that in accordance with its request the Committee be discharged with the thanks of the town.

MOVED AND SECONDED, That thirteen thousand dollars (\$13,000) be appropriated for expenditure by the Board of Health for the improvement and maintenance of the new town dump north of Swanton Street and for the purchase of equipment therefor.

To meet this appropriation the unexpended balances of the amounts appropriated at the annual town meeting in 1944 for the acquisition of the land for said dump and for the purpose of adapting it for use and for other purposes in connection therewith, amounting to three thousand seven hundred eighty-nine dollars and fifty-six cents (\$3,789.56) shall be transferred and nine thousand two hundred ten dollars and forty-four cents (\$9,210.44) shall be raised by taxation.

MOVED AND SECONDED, That the subject matter under Article 14 be referred to the next annual town meeting.

Motion was lost.

VOTED, That thirteen thousand dollars (\$13,000) be appropriated for expenditure by the Board of Health for the improvement and maintenance of the new town dump north of Swanton Street and for the purchase of equipment therefor.

To meet this appropriation the unexpended balances of the amounts appropriated at the annual town meeting in 1944 for the acquisition of the land for said dump and for the purpose of adapting it for use and for other purposes in connection therewith, amounting to three thousand seven hundred eighty-nine

dollars and fifty-six cents (\$3,789.56) shall be transferred and nine thousand two hundred ten dollars and forty-four cents (\$9,210.44) shall be raised by taxation.

VOTED, That we now adjourn.

The meeting adjourned at 11:43 o'clock P.M.

ATTEST:

MABEL W. STINSON,

Town Clerk.

The following is a copy of the notice of the adjournment of the Annual Representative Town Meeting of March 19, 1945 to March 22, 1945 as posted in one place in each of the six Precincts in accordance with the provisions of Section 3, Chapter 167, Acts of 1928:

TOWN OF WINCHESTER

MIDDLESEX COUNTY, MASSACHUSETTS

(Town Seal)

In accordance with the provisions of Section 3, Chapter 167, Acts of 1928, notice is hereby given that the Representative Town Meeting of March 19, 1945 has been adjourned to meet at the Town Hall, Winchester, Mass. on March 22, 1945 at 7:45 P.M. to act on Articles 15 to 30, inclusive, of the Warrant, together with any unfinished business.

ATTEST:

(Signed) MABEL W. STINSON,

Town Clerk.

March 20, 1945

ADJOURNED ANNUAL REPRESENTATIVE TOWN

MEETING MARCH 22, 1945

Pursuant to the vote of adjournment on March 19, 1945, the Town Meeting Members met in the Town Hall on Thursday, March 22, 1945, notices having been sent by mail by the Town

Clerk to the two hundred twenty-five (225) Town Meeting Members and notices having been posted in each of the six precincts.

A list of the duly qualified Town Meeting Members was used at the entrance to the meeting place and was in charge of Fred H. Scholl and Edward G. MacDonald, Election Officers. The list contained the names of two hundred twenty-five (225) Town Meeting Members qualified to vote and participate in Town Meetings in Winchester.

The check list filed with the Town Clerk at the close of the meeting showed that one hundred fifty-four (154) Town Meeting Members attended the meeting.

The meeting was called to order by Joseph W. Worthen, Moderator, at 7:50 o'clock P.M.

The following persons were appointed as Tellers and were sworn by the Moderator:

Charles A. Gleason

Robert F. Guild

Charles H. Gallagher

Franklin J. Lane

ARTICLE 14. To see if the town will appropriate money for the improvement and maintenance of the new town dump north of Swanton Street, and for the purchase of equipment therefor. (Board of Health.)

ARTICLE 24. To hear and act on the reports of committees heretofore appointed by the town; to appoint other committees, and to appropriate money for the necessary expenses of committees.

VOTED, That the report of the Committee on War Records be received and placed on file.

MOVED AND SECONDED, That the establishment of a committee is hereby authorized for the purpose and in the manner following:

If at any time before the next annual town meeting the Board of Selectmen by vote of a majority of its members and the Finance Committee by vote of a majority of its members shall determine that it appears advisable that a study be made of the compensation of town officers and employees and shall

notify the Moderator of such determination, the Moderator shall appoint five citizens of the town as the members of a committee to conduct a study of the compensation of town officers and departmental employees (except school administrative officers and teachers) for the purpose of ascertaining what, if any inequalities exist therein and whether it appears expedient that a revision of the existing rates and classifications be made, and also to consider the advisability of discontinuing or in any manner changing the temporary wage adjustment plan.

The committee is requested to prepare and submit a printed report of its findings and recommendations as soon as the proper performance of its duties will permit.

Any vacancies in the committee shall be filled in the manner provided for original appointments.

The sum of three hundred dollars (\$300) is hereby appropriated to meet the necessary expenses of the committee.

VOTED, To amend, so that in the eighth line of the motion there be inserted after the word "except" the words "the Town Librarian and", so that the exception will read "except the Town Librarian and school administrative officers and teachers."

VOTE ON AMENDMENT: Yes, 77. No, 71.

VOTED, That the establishment of a committee is hereby authorized for the purpose and in the manner following:

If at any time before the next annual town meeting the Board of Selectmen by vote of a majority of its members and the Finance Committee by vote of a majority of its members shall determine that it appears advisable that a study be made of the compensation of town officers and employees and shall notify the Moderator of such determination, the Moderator shall appoint five citizens of the Town as the members of a committee to conduct a study of the compensation of town officers and departmental employees (except the Town Librarian and school administrative officers and teachers) for the purpose of ascertaining what, if any inequalities exist therein and whether it appears expedient that a revision of the existing rates and classifications be made, and also to consider the advisability of discon-

tinuing or in any manner changing the temporary wage adjustment plan.

The committee is requested to prepare and submit a printed report of its findings and recommendations as soon as the proper performance of its duties will permit.

Any vacancies in the committee shall be filled in the manner provided for original appointments.

The sum of three hundred dollars (\$300) is hereby appropriated to meet the necessary expenses of the committee.

VOTED, That the report of the Insurance Committee as printed be received and placed on file.

MOVED AND SECONDED, That the \$13,000 Appropriation motion on Town Dump be reconsidered.

Motion was lost.

VOTED, That we now take up Article 26.

ARTICLE 26. To see if the town will accept the bequests made by the will of the late Jere A. Downs to the Winchester Library, or take any action relative thereto.

VOTED, That the bequests made by the will of the late Jere A. Downs to the Winchester Public Library be accepted and that the Town Treasurer be and he is hereby authorized to receive the same and to make written acknowledgment thereof in behalf of the town.

The funds so bequeathed shall be in the custody of the Treasurer and under the management and control of the Commissioners of Trust Funds and shall be administered by the Board of Library Trustees for the support and maintenance of the Public Library as provided by Sections 46 and 47 of Chapter 41 and Section 11 of Chapter 78 of the General Laws.

APPRECIATION OF JERE A. DOWNS AND ELIZABETH DOWNS WADSWORTH:

This motion should not be passed without some mention of the splendid benefactions Mr. Downs has bestowed not only upon the library, but also upon the many philanthropic organizations of our town. The bequest to the library is \$39,000.

Many men of wealth have left large sums of money to foundations to which their names are attached, and which are administered by trustees appointed as the benefactors prescribe, as for example the Rockefeller Foundation and the Carnegie Foundation. Mr. Downs has not done this, but has provided that his splendid bequests shall be administered by the organizations for whose benefit they are made.

Mr. Downs was reared in his boyhood by his devoted Mother, left a widow without means. He never forgot what he owed her. He began his business career as an errand boy in the office of an important brokerage concern, of which in time he became the senior partner, and accumulated a large fortune, the greater part of which he left to the service of the public.

The gratitude of the town should likewise be extended to Mr. Downs' Sister, Elizabeth Downs Wadsworth, to whom Mr. Downs gave power to change these bequests. She did not exercise this power, and furthermore gave additional bequests to the library and to many charitable organizations of the town.

VOTED, That this appreciation be inscribed in the records of this meeting; that copies thereof be sent to the Trustee of Mr. Downs' Estate and to Mrs. Wadsworth's husband, and that the Winchester Star be requested to publish it.

ARTICLE 15. To see if the town will authorize the acquisition by purchase or otherwise, for enlargement of Manchester Field, of all or any part of the land owned by the Commonwealth of Massachusetts which lies between that part of said field owned by the town and the Aberjona River, and make an appropriation of money therefor, or take any action relative to said land. (School Committee and Park Commissioners.)

VOTED, That the Board of Park Commissioners be and it hereby is authorized and empowered, on behalf of the town, to acquire by purchase for a public playground in enlargement of that part of Manchester Field now owned by the town, all of the land formerly owned by the City of Boston but now of the Commonwealth of Massachusetts which lies between that part of Manchester Field now owned by the town and the top of the

westerly bank, or, where there is no bank, a line distant westerly twenty-five (25) feet, more or less, from the westerly shore line of the Aberjona River, provided that the same can be obtained for a sum not exceeding one hundred and fifty dollars (\$150), and that said sum of one hundred and fifty dollars (\$150) be and hereby is appropriated therefor.

And the Board of Selectmen and the said Board of Park Commissioners, or either of them, are hereby authorized, on behalf of the town, as a part of the same transaction, to make and execute any agreement, consent or other instrument in writing for the purpose of terminating any and all existing agreements for the care and control of Manchester Field by the Metropolitan District Commission and any rights or interests in or which may in any manner affect the use of the land to be acquired.

ARTICLE 16. To see if the town will take any action relative to conducting and promoting recreation, play, sport, physical education or any of these activities; will authorize the hiring or leasing of any building for a recreation center, and will appropriate money for said purposes or any of them. (Youth Guidance Committee.)

VOTED, That six hundred dollars (\$600) be appropriated for the purpose of conducting and promoting recreation, play, sport, physical education or any of these activities, particularly at an indoor recreation center during the next winter season, to be expended by or under the direction of the Park Commissioners in addition to the unexpended balance of the appropriation made at the annual town meeting in 1942 for said purpose.

ARTICLE 17. To see if the town will establish a playground or recreation commission and decide whether the powers conferred by Section 14 of Chapter 45 of the General Laws shall be exercised by the Board of Park Commissioners, or by the School Committee, or by a playground or recreation commission elected by the voters of the town at a town meeting, or distributed between the Board of Park Commissioners, the School Committee and such playground or recreation commission, or any two of them, or exercised by a committee made up from any one or

more members of all or any one of said boards or commissions. (Youth Guidance Committee.)

VOTED, That a recreation commission be established pursuant to the provisions of Section 14 or Chapter 45 of the General Laws to consist of three members to be elected at the next annual meeting for the election of Town Officers, one for one year, one for two years and one for three years and thereafter at each annual meeting for the election of Town Officers one member shall be elected for a term of three years.

VOTE: Yes, 69. No, 67.

ARTICLE 18. To see if the town will authorize the acquisition by purchase, eminent domain or otherwise, for enlargement of the Mystic School Lot of all or any part or parts of two contiguous parcels of land bounded and described as follows:

- (1) A parcel now or formerly of Lilla M. Ellis, bounded:
Northeasterly by Madison Avenue, about 78 feet,
Southeasterly on other land of said Lilla M. Ellis, about 139 feet,
Southwesterly on land of Bertha A. Henry, about 77 feet, and

Southwesterly by Marshall Road, 95 feet, and
Northwesterly on the Mystic School Lot, 175 feet, and containing 22,697 square feet;

and will make an appropriation of money for acquisition and determine in what manner the money shall be raised and expended. (School Committee.)

VOTED, That the Selectmen be and hereby are authorized and empowered on behalf of the town to acquire by purchase,

eminent domain or otherwise, for enlargement of the Mystic School Lot two contiguous parcels of land in the town bounded and described as follows:

- (1) A parcel now or formerly of Lilla M. Ellis, bounded:
Northeasterly by Madison Avenue, about seventy-one (71) feet,
Southeasterly on other land of said Lilla M. Ellis, about one hundred thirty-nine (139) feet,
Southwesterly on land of Bertha A. Henry, about seventy (70) feet, and
Northwesterly on the Mystic School Lot, about one hundred thirty-nine (139) feet, and containing ten thousand (10,000) square feet more or less.
- (2) A parcel now or formerly of Bertha A. Henry, bounded:
Northeasterly on said land of Lilla M. Ellis, about one hundred forty-four (144) feet,
Southeasterly on land of Esther L. Comins and land of Henry F. and Persis S. Peirce, two hundred eighteen (218) feet,
Southwesterly by Marshall Road, ninety-five (95) feet, and
Northwesterly on the Mystic School Lot, one hundred seventy-five (175) feet, and containing twenty-two thousand six hundred ninety-seven (22,697) square feet;

and that the sum of four thousand one hundred seventy-five dollars (\$4,175) be and hereby is appropriated to meet the cost of such acquisition and expenses in connection therewith.

VOTE: Unanimous vote.

ARTICLE 19. To see if the town will authorize the acquisition by purchase, eminent domain or otherwise, for enlargement of the High School Lot, of that parcel of land in the town containing about 4,467 square feet and bounded:

Southwesterly by Main Street 54.18 feet,
Northwesterly on the High School Lot, 92.97 feet,

Northeasterly on said High School Lot and land now or formerly of Philip J. McManus and wife, 51.99 feet, and

Southwesterly on said land now or formerly of Philip J. McManus and wife, 78.24 feet;

determine what disposition shall be made of the building thereon and what, if any, use shall be made of it pending demolition or removal; make an appropriation of money for such acquisition and for the cost of demolishing or removing said building and grading and improving the land; and determine in what manner the money shall be raised and expended. (Planning Board.)

VOTED, That the Selectmen be and hereby are authorized and empowered on behalf of the town to acquire by purchase, eminent domain or otherwise, for enlargement of the High School Lot that parcel of land in the town containing about four thousand four hundred sixty-seven (4,467) square feet and bounded:

Southwesterly by Main Street fifty-four and eighteen one-hundredths (54.18) feet;

Northwesterly on the High School Lot, ninety-two and ninety-seven one-hundredths (92.97) feet;

Northeasterly on said High School Lot and land now or formerly of Philip J. McManus and wife, fifty-one and ninety-nine one-hundredths (51.99) feet, and

Southwesterly on said land now or formerly of Philip J. McManus and wife, seventy-eight and twenty-four one-hundredths (78.24) feet;

and that the sum of six thousand seven hundred and fifty dollars (\$6,750) be and hereby is appropriated to meet the cost of such acquisition and expenses in connection therewith.

VOTE: Unanimous Vote.

VOTED, That the Selectmen now or hereafter in office be and hereby are authorized and empowered on behalf of the town to let or lease the dwelling house situate and numbered 469 on Main

Street, the acquisition of which has been authorized at this meeting, for not less than one year at a time on such terms as they determine.

VOTE: Unanimous Vote.

ARTICLE 20. To see if the town will elect a director, to serve in co-operation with the Middlesex County Trustees for County Aid to Agriculture in the work of the Middlesex County Extension Service, under the provisions of Sections 40 to 45, inclusive of Chapter 128 of the General Laws and will make an appropriation for the purpose of said sections.

VOTED, That we choose a Director of County Aid to Agriculture to serve for one year in accordance with Sections 40 and 41 of Chapter 128 of the General Laws.

Frank W. Howard was nominated for Director of Middlesex County Extension Service to serve for one year.

Frank W. Howard was elected Director of Middlesex County Extension Service to serve for one year.

VOTED, That fifty dollars (\$50) be appropriated to be expended for the purpose of Sections 40 to 45, inclusive, of Chapter 128 of the General Laws.

ARTICLE 21. To fix the number of Measurers of Wood and Bark and to delegate the appointment of the same to the Selectmen.

VOTED, That the appointment of not more than eight Measurers of Wood and Bark for the year ending April 1, 1946 be and hereby is delegated to the Selectmen.

VOTED, That Article 22 and 23 be taken up and considered together.

ARTICLE 22. To hear and act on the report of the Committee on Civil Service.

ARTICLE 23. To see if the town will make any recommendation or take any action relative to vacations, sick leaves, and holidays for town laborers. (Committee on Civil Service.)

VOTED, That the report of the Committee on Civil Service be received and placed on file, and the Committee be discharged with the thanks of the town.

VOTED, That it is the sense of the meeting that the program recommended by the Civil Service Committee in its report received at this meeting, should be adopted and adhered to as the policy of the town relative to sick benefits, holiday pay and vacations for the laboring force of the town, and the recommendation is hereby made to the Selectmen and other department heads employing labor, that the plan be co-ordinated and uniformly administered by them.

ARTICLE 25. To see if the town will amend the Zoning By-Law by changing or altering the map incorporated in and made a part thereof, so as to include in the adjoining single residence district all or any part or parts of the present general residence district on both sides of Washington Street within the area bounded:

Northerly by the Woburn boundary line;

Southeasterly on the adjoining single residence district by a line distant northwesterly 350 feet from and parallel with the northwesterly line of Forest Street as it existed in 1924;

Westerly by Washington Street, and northerly and northwesterly by the center line of the Aberjona River. (Planning Board).

The following affidavit of giving public notice of proposed amendments to the Zoning By-Law was read to the meeting by Joseph W. Worthen, Moderator:

COMMONWEALTH OF MASSACHUSETTS

MIDDLESEX, SS.

WINCHESTER, MASSACHUSETTS

I, Frank E. Rowe, Secretary of the Planning Board of the Town of Winchester, on oath depose and say that a public hearing on the proposed change in the Zoning By-Law as stated in

Article 25 in the warrant for the Annual Representative Town Meeting of said Town to be held on the nineteenth day of March, 1945 was held on the fifth day of March, 1945, after due notice thereof given publication in the "Winchester Star", a newspaper published in said Winchester on the twenty-third day of February and second day of March, 1945.

(Signed) FRANK E. ROWE,

Secretary.

Subscribed and sworn to before me at Boston, Massachusetts this 13th day of March, 1945.

(Signed) CHARLES K. FROST,

Notary Public.

Commission expires May 17, 1951.

VOTED, That the report of the Planning Board upon the proposed changes in the Zoning By-Law under Article 25 be received and placed on file.

VOTED, That the town Zoning By-Law be and it hereby is amended by altering the map incorporated in and made a part thereof so as to include in the adjoining single residence district that certain part of the present general residence district, bounded and described as follows:

Beginning at a point in the boundary line between Woburn and Winchester at its intersection with the centre line of the Aberjona River, thence easterly by said boundary line to the point of its intersection with the present northwesterly line of said single residence district, thence southwesterly by said line, which is parallel with and distant three hundred and fifty (350) feet northwesterly from the northwesterly side line of Forest Street as it existed in 1924, to a point distant one hundred (100) feet easterly from the easterly side line of Washington Street, thence northerly by a line parallel with and distant easterly one hundred (100) feet from the said easterly side line of Washington Street, to the point of its intersection with the centre line

of the Aberjona River, and thence northeasterly by said centre line of said river to the point of beginning.

VOTE: Unanimous Vote.

Approved by Attorney General of Massachusetts on April 5, 1945, Advertised in "Winchester Star" of April 13-20-27, 1945. In Force April 28, 1945.

ARTICLE 27. To see if the town will take any action relative to the rates and charges for use of the Town Hall.

VOTED, That the Selectmen be and they hereby are authorized and empowered to fix and establish a schedule of fair and reasonable rates to be charged for the use of the town hall and the facilities appurtenant thereto, and to make regulations relative to such use.

ARTICLE 28. To see if the town will authorize the sale and conveyance or other disposition of all or any part or parts of that parcel of land owned by the town bounded:

Northeasterly, on Leonard Field and land now or formerly of Ruby M. Bryer, seven hundred fifty-two and twenty-six one-hundredths (752.26) feet;

Southeasterly, on land now or formerly of the heirs or devisees of Charle Bruce, one hundred sixty-three and fifty-one one-hundredths (163.51) feet;

Southwesterly by Lebanon Street West, thirty and ninety-one one-hundredths (30.91) feet;

Southeasterly by Lebanon Street West, land now or formerly of Emilio and Antonette Staffieri, and land now or formerly of Frances Errico; two hundred thirty and five one-hundredths (230.05);

Southwesterly, by an extension of the northwesterly line of Stone Avenue West seven hundred twenty-two and twenty-three one-hundredths (722.23) feet;

Northwesterly, on the remainder of the land of which the land here described forms a part, four hundred forty-six and forty-one one-hundredths (446.40) feet,

and containing approximately three hundred eight thousand seven hundred ninety-nine (308,799) square feet, and being a part of a parcel of about 18 acres of land purchased by the town in 1916 as a source of road building materials and for storage sheds, or take any action relative thereto.

VOTED, That, whereas the land hereinafter described is no longer required for any public purpose, the Board of Selectmen as it is now or may hereafter be constituted, be and it hereby is authorized and empowered to sell for such sum or sums and upon such terms as said board shall consider proper and to convey to the purchaser or purchasers by deed or deeds or other appropriate instruments all or any part or parts of that parcel of land in the town containing approximately three hundred eight thousand seven hundred ninety-nine (308,799) square feet and bounded:

Northeasterly on Leonard Field and land now or formerly of Ruby M. Bryer, seven hundred fifty-two and twenty-six one-hundredths (752.26) feet;

Southeasterly on land now or formerly of the heirs or devisees of Charles Bruce, one hundred and sixty-three and fifty-one one-hundredths (163.51) feet;

Southwesterly by Lebanon Street West, thirty and ninety-one one-hundredths (30.91) feet;

Southeasterly by Lebanon Street West, land now or formerly of Emilio and Antonette Staffieri, and land now or formerly of Frances Errico; two hundred thirty and five one-hundredths (230.05) feet;

Southwesterly by an extension of the northwesterly line of Stone Avenue West, seven hundred twenty-two and twenty-three one-hundredths (722.23) feet;

Northwesterly on the remainder of the land of which the land here described forms a part, four hundred forty-six and forty one-hundredths (446.40) feet;

and being a part of a parcel of about 18 acres purchased by the town in 1916 as a source of road building materials and for storage sheds.

VOTE: Unanimous Vote.

ARTICLE 29. To see if the town will authorize the sale and conveyance or other disposition of the Highland School lot and the building thereon, said lot being bounded:

Easterly by Highland Avenue 386.00 feet; southerly by Old Oak Lane 86.45 feet; westerly 36.16 feet, and southerly 89.65 feet on land of Lorence M. Woodside; westerly 11.00 feet and southerly 119.85 feet on land of Ruth B. Harris; westerly by Stevens Street 316.00 feet more or less, and northerly by Eaton Street 282.20 feet; and containing about 100,280 square feet; or will take any action relative to said land or said building.

MOVED AND SECONDED, That whereas the Highland School Building and lot are no longer required for school purposes, the Selectmen are hereby authorized to demolish and remove said school building, or to cause it to be demolished and removed, and that thereafter the land upon which said building now stands, to wit: that parcel of land bounded:

Easterly by Highland Avenue three hundred eighty-six (386) feet;

Southerly by Old Oak Lane eighty-six and forty-five one-hundredths (86.45) feet;

Westerly thirty-six and sixteen one-hundredths (36.16) feet; and

Southerly eighty-nine and sixty-five one-hundredths (89.65) feet on land of Lorence M. Woodside;

Westerly eleven (11) feet and southerly one hundred nineteen and eighty-five one-hundredths (119.85) on land of Ruth B. Harris;

Westerly by Stevens Street three hundred sixteen (316) feet more or less; and

Northerly by Eaton Street two hundred eighty-two and twenty one-hundredths (282.20) feet, and containing about 100,280 square feet

shall be held for use as a public playground or recreation centre under the care and control of the Board of Park Commissioners.

MOVED AND SECONDED, That it is the sense of this meeting that the building on the Highland School lot should not be torn

down, demolished or in any way altered so it cannot be used as a schoolhouse until one year after the present war with Japan has ceased.

. Motion was lost.

VOTED, That whereas the Highland School Building and lot are no longer required for school purposes, the Selectmen are hereby authorized to demolish and remove said school building, or to cause it to be demolished and removed, and that thereafter the land upon which said building now stands, to wit: that parcel of land bounded:

Easterly by Highland Avenue three hundred eighty-six (386) feet;

Southerly by Old Oak Lane eighty-six and forty-five one-hundredths (86.45) feet;

Westerly thirty-six and sixteen one-hundredths (36.16) feet; and

Southerly eighty-nine and sixty-five one-hundredths (89.65) feet on land of Lorence M. Woodside;

Westerly eleven (11) feet and southerly one hundred nineteen and eighty-five one-hundredths (119.85) on land of Ruth B. Harris;

Westerly by Stevens Street three hundred sixteen (316) feet more or less; and

Northerly by Eaton Street two hundred eighty-two and twenty one-hundredths (282.20) feet;

and containing about 100,280 square feet

shall be held for use as a public playground or recreation centre under the care and control of the Board of Park Commissioners.

ARTICLE 30. To see if the town will adopt a by-law authorizing the Superintendent of Streets or other officer having charge of ways, for the purpose of removing or plowing snow, or removing ice, from any way, to remove or cause to be removed, to some convenient place, including in such term a public garage, any vehicle interfering with such work, and imposing liability for the cost of such removal, and of the storage charge, if any, resulting therefrom, upon the owner of such vehicle.

VOTED, That Article III of the General By-Laws of the town is hereby amended by inserting, after Section 3, the following section:

SECTION 3A. Any vehicle on a public way in the town interfering with the work of removing or plowing snow, or removing ice therefrom, may be removed by or under the direction of the Superintendent of Streets to a public garage or any convenient place. The Superintendent of Streets shall, within a reasonable time, notify the Chief of Police of the removal of any such vehicle and of the place to which it has been removed and the Chief of Police shall give like notice to the registered owner of the vehicle. The owner, before being permitted to remove the vehicle, shall establish his right so to do and pay to the town or to the keeper of the place of storage, the cost of removal not exceeding five dollars (\$5) and any storage charges resulting therefrom, not exceeding fifty cents (50¢) per day;

and that Section 22 of said Article III is hereby amended by inserting after the word "sections":— three a — so that said Section 22 will read as follows:

Whoever violates the provisions of any section of this article except sections three a, ten and ten a, sixteen and seventeen shall be punished by a fine not exceeding twenty dollars (\$20) for each offense.

Approved by Attorney General of Massachusetts on April 5, 1945. Advertised in "Winchester Star" of April 13-20-27, 1945. In Force April 28, 1945.

VOTED, That the meeting be now dissolved.

The meeting dissolved at 11:18 o'clock P.M.

REPORT OF THE WINTER POND COMMITTEE TO THE TOWN MEETING MEMBERS OF WINCHESTER

December 19, 1945

Your Committee has held numerous meetings and made several inspection trips since we made our last report to the 1945 town meeting.

Part of the project recommended in the report of 1944, to wit the establishment of a pipe drain from the swamp on Cambridge Street directly into Winter Pond, has been accomplished, with the exception of deepening the drain into one section of the swamp. This has materially helped the water level in Winter Pond, although this work was not completed in time to get the benefit of the accumulation of snow or the spring rains of 1945, so we are unable to report just how much of a help this part of the program will be.

The recommendation of having the surface water from the adjoining territory diverted into Winter Pond has not and could not be accomplished until the Town rebuilds Wildwood Street and changes the drainage system, which is a contemplated project for 1946.

Some criticism has arisen about the marine growth that appeared in both Big and Little Winter Ponds, and your committee, after investigation and a meeting with the Chairman of the Selectmen, has requested the Selectmen to see if it is possible to have the State, through the appropriate department, clean up both of these ponds. This is a state function and the Selectmen have agreed to take it up with the proper authorities to see what can be accomplished along this line, and your committee strongly recommends that this be done to improve the looks of both ponds.

The members of your committee feel that they have exhausted every possibility to further raise the water level of Winter Pond, with the exception of a pipeline from Wedge Pond to Winter Pond with a pumping apparatus attached thereto, as outlined in our original report, as a possibility which might have to be resorted to as the last solution.

We recommend that with the exception of the cleaning up of the ponds and deepening the drain in the swamp, further

action be deferred until the anticipated surface drainage system can be installed, thereby giving the installation that has been put in, to wit the connection to the swamp, a chance to function, to see if this, plus the surface drainage system, will not alleviate the abominable conditions that have existed in these two ponds during the past three summers, therefore your committee asks to be discharged and that the matter of carrying out the unfinished projects pertaining to this work be delegated to the Board of Selectmen.

REPORT OF THE COMMITTEE ON RENTAL OF CERTAIN TOWN FACILITIES

At the Annual Representative Town Meeting held on March 19, 1945 the following vote was passed.

"VOTED, That a committee of three citizens of the town, to be appointed by the Moderator, is hereby established to study the question of whether fair and reasonable rates should be charged for the use of certain town facilities or whether all of certain town facilities should be given to cultural and civic organizations free of charge and to consider the advisability of establishing a uniform policy of such charges if any.

The committee is requested to prepare and submit a printed report of its findings and recommendations in season for consideration at the next annual town meeting."

Pursuant to said vote the Moderator appointed the following Committee:

Elliott F. Cameron
Edgar J. Rich
Robert M. Stone

When the Committee convened it was decided to request the School Committee, Selectmen and Trustees of the Public

Library to furnish the Committee with a list of rentals which had been made during the last two years showing the date of rental, to whom rented, the purpose for which the rental was granted, the amount charged for the rental and the basis of such charges. All departments furnished this information.

In addition your Committee requested and received an opinion from the Town Counsel covering the authority of the Selectmen, School Committee and Trustees of the Public Library to grant the use of the buildings which were under their control.

Obviously no use should be permitted which would interfere with the primary purposes to which the buildings are dedicated. We do not find a single instance of such use.

TOWN HALL

The rental of the Town Hall is under the jurisdiction of the Selectmen subject to the vote of the Town.

There have been numerous votes passed since 1888 with respect to the fees to be charged for the use of the Town Hall and at the present time there is a schedule of fees in effect which has not been changed since 1912 but at the Town Meeting held on March 19, 1945 the Town empowered the Selectmen to revise the fees and it is expected that a new schedule will be in effect on or before January 1, 1946.

On April 4, 1932 the Town Counsel rendered an opinion to the Selectmen relative to the use of the Town Hall and since that time the Selectmen have used the following excerpt from his opinion as a basis for the rental of the Town Hall.

“The use of the town hall without a payment sufficient to fully reimburse the town for the expense to which it is put by the permitted use may not lawfully be granted to or for the benefit of any school or institution of learning whether under public control or otherwise, wherein any denominational doctrine is inculcated, any school, college, infirmary, hospital, institution, or educational, charitable or religious undertaking which is not publicly owned and under the exclusive control, order and superintendence of public officers or public agents authorized by the commonwealth or federal authority or both, or any church, religious

denomination, or society, anything in the votes of the town passed in 1912 and 1914 to the contrary notwithstanding.”

Relative to charges for the use of the Town Hall the Selectmen have adopted a further paragraph from the above mentioned opinion which is as follows:

“The free use of the town hall may be lawfully granted for any purpose not coming within the classification of the constitutional amendment for such purposes of a civic nature as are for the public welfare or of interest to the inhabitants generally as distinguished from any limited number thereof, provided no charge in any form is made for admission.”

During the year 1944 the Selectmen granted the free use of the Town Hall on many occasions mostly for selective service inductions, state guard drills and for public hearings held by town officials.

All other applicants were charged a stated fee in accordance with the adopted schedule, it being immaterial whether the ultimate object of the affair for which the hall was rented was for charitable purposes or otherwise. The Selectmen take a firm stand on rental applications, ascertaining if an admission is to be charged in any form and whether the application comes within the conditions set forth in the opinion of the Town Counsel which has heretofore been stated.

Your Committee in looking over the various charges made by the Selectmen for the years 1943, 1944 could not find any instance wherein they were not justified in making the charge.

SCHOOLS

For the public use of school property the School Committee is guided primarily by Section 71 of Chapter 71 of the General Laws. This section is as follows:

“for the purpose of promoting the usefulness of public school property the school committee of any town may conduct such educational and recreational activities in or upon school property under its control, and, subject to such regulations as it may establish, and, consistently and without

interference with the use of the premises for school purposes, shall allow the use thereof by individuals and associations for such educational, recreational, social, civic, philanthropic and like purposes as it deems for the interest of the community. The affiliation of any such association with a religious organization shall not disqualify such association from being allowed such a use for such a purpose. The use of such property as a place of assemblage for citizens to hear candidates for public office shall be considered a civic purpose within the meaning of this section. This section shall not apply to Boston”.

We are informed that the School Committee has conscientiously lived up to Section 2 of Article 46 of the State Constitution which is as follows:

“Public Money Expended Only for Public Institutions

All moneys raised by taxation in the towns and cities for the support of public schools, and all moneys which may be appropriated by the commonwealth for the support of common schools, shall be applied to, and expended in, no other schools than those which are conducted according to law, under the order and superintendence of the authorities of the town or city in which the money is expended: and no grant, appropriation or use of public money or property or loan of public credit shall be made or authorized by the commonwealth or any political division thereof for the purpose of founding, maintaining or aiding any school or institution of learning, whether under public control or otherwise, wherein any denominational doctrine is inculcated, or any other school, or any college, infirmary, hospital, institution, or educational, charitable or religious undertaking which is not publicly owned and under the exclusive control, order and superintendence of public officers or public agents authorized by the commonwealth or federal authorities or both except that appropriations may be made for the maintenance and support of the Soldiers’ Home in Massachusetts and for free public libraries in any city or town, and to carry out legal obligations, if any, already entered into; and no such grant, appropriation or use of public money or property or

loan of public credit shall be made or authorized for the purpose of founding, maintaining or aiding any church, religious denomination or society."

We are informed that the usual practice of the School Committee in computing the bill for rentals is to charge one dollar (\$1.00) per hour, for the services of the janitor, read the electric light meter, before and after the use, and charge for actual current used, and charge for the amount of fuel consumed, this amount being *estimated* by someone, yet the applicant is billed to the penny. We are informed that the outside temperature is taken into consideration in computing the fuel consumption but we have found instances when the charge for fuel was less when the outside temperature was lower, and greater than when the outside temperature was higher, and in a number of instances there was no charge for fuel at all, regardless of temperature.

In analyzing the rental of school buildings by the School Committee for the years 1943-1944, we found that on most occasions a charge in some form was made. The rentals were primarily for the use of the High School Auditorium, although there were occasional uses of the auditoriums of the Lincoln, Washington, Mystic and Wyman Schools.

We question some of the charges which were made to the Civilian Defense, Red Cross and United War Fund for the use of the High School Auditorium, being of the opinion that the nature of the uses was such that it involved the welfare and general interest of the community as a whole, and therefore no charge should have been made, any expense incurred should have been taken from the School Rental Account.

We likewise question the lack of charges for use of the Wyman School Hall by the Smith College Club for the series of lectures by Miss Avery. The Smith College Club charges admission to these lectures and the proceeds are used for scholarships. However commendable may be the purpose of raising the money, we do not feel that the School Committee is complying with the law in granting the use of the hall without charge and the use is of a private nature rather than a public one.

The same situation applies to other groups who have been accorded like privileges.

PUBLIC LIBRARY

The Library Trustees have custody and management of the Public Library under the authority of Gen. Laws, Chapter 71, Section 11.

An analysis of the use of the Public Library during the period heretofore mentioned indicates that in practically all instances such use was for literary, educational and cultural purposes and the free use of the facilities of the Library granted by the Trustees was justified.

In the opinion given to the Committee by the Town Counsel it is stated:

"The use of the auditorium and rooms in the library building not required for general library purposes may properly be restricted to such literary, educational and cultural purposes as the Board of Library Trustees shall deem for the interest of the inhabitants of the town generally, as distinguished from any limited number thereof, provided that admission is not restricted or obtained by the payment of money or an admission fee in any form, and that the ordinary and usual functions of the library are not in any way interfered with; and that the general authority of the library trustees includes authority to permit the use of said halls and rooms for such purposes by associations and groups of individuals without charge."

The only criticism of the use of the Library is as follows:

For the past several years the Mt. Holyoke College Club have annually sponsored a series of lectures on "Books and Authors" by Mrs. Alice Dixon Bond, Book Editor of the Boston Herald. Those wishing to attend may purchase a single admission or may purchase a ticket admitting to the entire series. The members of the organization receive no pecuniary profit and the profits from the lectures have been used to give scholarships in college to graduates of our high school. The Library Trustees however, have made no charge for the use of the auditorium on the ground that these meetings are held in the daytime, and there is no cost incurred for heat, light or janitor service. It is true that these lectures are highly cultural and very popular and result in an increased circulation of books, but we do not feel that

the law justifies a *free* use of a public building for a purpose which is private. As there is no direct added cost to the library and therefore no burden upon the taxpayers, a moderate charge would satisfy the law and we recommended to the Trustees that they make such a charge.

We wish to commend the Trustees for having the facilities of the Library available to the citizens for so many worthwhile objects without charge and at a minimum of cost.

In 1944 various organizations used the library on one hundred twenty-one occasions. Most of these meetings were held during the hours that the library was open to the public, and therefore there would be no extra cost for heat, light or janitor service. However on a few occasions meetings have extended beyond the usual closing time. This however did not incur any additional cost for heat or janitor service and the only additional cost was for light which was trifling. As a matter of fact, a survey of cost of lighting has been made by the Boston Edison Company which indicates that it costs fourteen cents per hour to light the Art Gallery, Conference Room, Foyer and Vestibule. The estimated additional lighting cost for all meetings held in 1944 is five dollars and thirty-two cents (\$5.32) or an average cost of 4.4 cents per meeting. Surely no one would make an issue of that fact.

RECOMMENDATIONS

1. Your committee recommends that the School Committee discard its system of charging for school facilities and adopt a fixed schedule of charges in order that each organization using the same facilities will pay the same charge and will know in advance what the cost will be.

The present scheme which includes temperature, *estimation* of fuel used and janitor service should be abolished immediately. The charges should be made on a year round basis, and the cost of fuel consumption and light in the winter will be offset in the spring and fall. The same holds true of the cost of light.

The cost of janitor service can also be a fixed amount and any excess over such fixed amount can be taken care from the School Rental Account.

2. Your committee recommends that the School Committee discard its practice of granting the free use of school property

to organizations who charge admission in any form to functions promoted by such organizations, no matter how commendable may be the purposes or aims of such organizations. The taxpayers' money should not be used in such a manner.

3. Your committee recommends that the Trustees of the Public Library adopt a fixed schedule of charges for use of facilities of the Library by organizations who charge admission in any form to functions promoted by such organizations.

CONCLUSION

We are of the opinion that no action is required by the Town as all matters relating to rentals can be dealt with by the respective boards who have jurisdiction over the buildings in question.

REPORT OF SELECTMEN

1945

The Board of Selectmen presents its report to the town for the year 1945. It has been a very momentous year in world history as well as in town history. We witnessed V-E and V-J days. Our first feeling was one of relief and gratefulness that there would be no more conflict and the boys and girls of Winchester would be returning home. Winchester is extremely proud of the record of its service men and women throughout the world, numbering 2100. In mentioning this number we honor those who will not come back and we are grateful to them for their sacrifice. Realizing our responsibility to them we must continue to keep Winchester the kind of a town that it has always been. Let us not fail this obligation.

We should acknowledge also the great amount of work done by the many volunteer organizations comprising a large percentage of our citizens. Space does not permit the naming of the entire list. To the many hundreds of people who served in these efforts, the reward is the satisfaction of a job well done. With the ending of the war and the return to normal, many town budgets will of necessity be substantially increased because of replacement of wornout equipment, work on major construction projects that have been deferred, and the return to full personnel.

TOWN FINANCES

On December 31, 1945 the cash balance was \$324,930.66, the Excess and Deficiency Fund had a balance of \$302,818.23. Your Board recommends that \$50,500 of this fund be allocated for capital expenditures. This will leave a balance of \$252,318.23 in addition to the \$400,000 which is available to partially defray the cost of heavy capital expenditures in future years.

A great responsibility now faces us of wisely using these funds. If Winchester is to continue its policy of "pay-as-you-go", careful consideration must be given to the capital expenditures in the future so that funds may be wisely allocated in order to retain the town's policy of not issuing bonds.

TOWN DEBT

On December 31, 1945 the bonded indebtedness of the town amounted to \$97,000. During 1946 \$39,000 will be paid on outstanding bonds and the amount of interest to be paid will be \$3,605. The final payments on the Public School Loan of 1931 and School Loan, Acts of 1928, will be made this year.

CURRENT BORROWING

During the year the Town Treasurer was authorized to borrow on notes in anticipation of revenue as follows:

\$200,000 due November 1945 at .30% discounted, plus \$15 premium.

PROTECTION

Police — It is anticipated that the police department will be back to full complement with the return of its members from the armed forces. We are recommending the addition of two patrolmen to the force. One will be required because of a change in policy which the Board is recommending, allowing officers a day off in six instead of one in eight as at present. This policy is definitely in accordance with the trend of the times and we believe it will increase the efficiency of our police force. The second man is to provide additional coverage.

Fire — Our fire department has operated with an undermanned force throughout the year and we look forward to a completed roster in the very near future. Your Board is recommending the purchase of an aerial ladder which we believe is needed to increase the efficiency of the fire department. The need for this type of equipment was emphasized in the recent fire in the Waterfield Building.

Your Board would like to go on record as recommending that upon completion of the grade crossing elimination, any plans for a West Side fire station be dropped, the reason being that with modern efficient equipment in a central station better protection will be available to the whole town.

HIGHWAYS

Snow removal — We are of the opinion that as a policy of the town, it is more efficient and economical for Winchester to own

its trucks for snow removal, as opposed to hiring from contractors. The amount of money spent for truck hire each year is quite substantial. We are recommending the purchase of two new trucks, a tractor and plow to replace the old 1921 tractor for use after unusually bad storms when more power is needed than is available in the average truck. Given this equipment, truck hire will be reduced to a minimum.

Garbage collection — For the past few years the Board of Health has been dissatisfied with the results of garbage collections and recently made a request to the Selectmen to transfer this responsibility to the highway department. After careful consideration the Superintendent of Streets was requested to undertake the supervision of this work. This is the first step toward the formation of a town department of public works which, we believe, the town should have, and we recommend that serious consideration be given in the near future to the creation of such a department.

TOWN COUNSEL

We wish to pay tribute to Addison R. Pike, our town counsel, who completed 25 years of service on December 31, 1945. Mr. Pike is an outstanding example of the type of citizen who renders service which keeps Winchester in the forefront as a municipality, and we are pleased to recognize Mr. Pike's loyal and efficient service, and to congratulate the town on having had his valuable advice and assistance during these years.

GRADE CROSSING

The grade crossing has had constant consideration by your Board. We have had many conferences with the State Department of Public Works, the planning board and the Boston & Maine Railroad on this matter. With the rapid growth of the retail business section of Winchester and the increase of vehicular traffic the problem has become more acute. In order to have top rank professional advice the Board retained the services of Mr. Lewis E. Moore, consulting engineer. We are certain that great progress has been made during the past year.

On November 28, 1945 a hearing was held in the Town Hall for all interested citizens, at which time three plans were pre-

sented. The vote of those present at the hearing was overwhelmingly in favor of the plan to elevate the tracks. Your Board was extremely pleased that a clearcut decision was made at this hearing. As a result of this hearing and decision, a letter was sent to the Department of Public Works requesting that they proceed with the abolition of the grade crossing in accordance with the plan which elevates the tracks. Mr. Herman A. MacDonald, Commissioner of Public Works, has made a positive statement that upon presentation of an agreed plan (which we have presented), he would schedule it for construction. We hope and expect that this construction will be started as soon as the necessary engineering details can be completed.

PARKING SITUATION

The parking problem has become more acute during the past year and more especially in the past few months, due to the lifting of the gasoline rationing and the marked increase in the retail business in the Centre. Your Board has been able to afford some relief, but because of the limited space available for this purpose the solution is not an easy one. However, plans are being studied which will provide additional space for parking.

GENERAL

The members of your Board have had a pleasant year serving the town and trust that their efforts have been satisfactory. They wish to express their appreciation of the help and co-operation given by the heads and employees of the various departments.

REPORT OF THE BOARD OF APPEAL

31 December 1945

*The Board of Selectmen
 Winchester
 Massachusetts*

Gentlemen:

The cessation of hostilities has shown an increase in the activities of the Board of Appeal for the past year. In 1944 there were only twelve appeals heard by the Board. During 1945 there were thirty-six appeals in all, nearly equally divided between zoning and building laws. Twenty-two of these appeals resulted in favorable decisions, thirteen of them were denied, and one was withdrawn.

The Board expresses its appreciation to the following citizens who acted at various times as substitutes in the absence of one of the regular Board members:

Charles H. Wansker
 Edmund L. Dunn
 Roland H. Parker
 William Croughwell

Respectfully submitted,
 LEON D. HUGHES, *Chairman*
 FRANK W. HOWARD
 JAMES N. CLARK

REPORT OF THE HIGHWAY DEPARTMENT

December 31, 1945

*Board of Selectmen
Winchester, Mass.*

Gentlemen:

I respectfully submit the annual report of the work done by the Highway Department for the year ending December 31, 1945.

MAINTENANCE

Sidewalk repairs, patching, surface treatment and other items of maintenance work were carried on during the year to the extent that our curtailed labor force permitted. Chapter 90 maintenance funds were used on streets constructed under the provisions of Chapter 90.

EQUIPMENT

Two Dodge dump trucks were purchased this year replacing a 1935 Dodge truck and a 1937 G.M.C. truck, also a new motor driven street marking machine.

The following is a schedule of the motor equipment owned by the Highway Department:

<i>Make</i>	<i>Date Purchased</i>	<i>No. Years Service</i>	<i>Original Cost</i>	<i>Condition</i>
Ford Sedan	1943	2	\$1,315.00	Good
Mack Jr.	1936	10	1,383.44	Fair
Dodge	1938	8	1,336.00	Fair
Mack	1938	8	1,400.00	Good
G. M. C.	1939	7	1,393.66	Good
Dodge Pickup	1939	7	730.00	Fair
Mack	1941	5	2,347.00	Good
Dodge	1945	0	2,150.13	Good
Dodge	1945	0	2,150.13	Good

STREET CONSTRUCTION

Nelson Street, partially subgraded in 1941, was completed this year with a bituminous concrete surfacing.

Main Street from the Winchester-Medford line to Symmes Corner was resurfaced with a special mix of bituminous concrete.

SURFACE DRAINAGE

A surface drain, started in 1944, to drain the swamp that lies east of Cambridge Street on the Baghdoyan and Richardson lands to Winter Pond was practically completed this year.

MISCELLANEOUS

Patching trenches, relaying granolithic sidewalks and regrading and loaming caused by the construction of the underground transmission line of the Boston Edison Company was completed this year.

Monthly collections of tin cans or paper or clothing, Victory Garden plowing, were continued this year through September.

SNOW AND ICE

During 1945, Winchester and the surrounding communities suffered two severe snow storms, one on February 9 and another on November 29, that taxed the facilities of the Highway Department to the limit. Shortage of labor and keeping old equipment in running order were our greatest problems.

The erection of a bridge across the Aberjona River at the lower end of Manchester Field, to facilitate the disposal of snow picked up around the center, was started in November and is now in process of completion.

The expenditures for snow and ice removal and sanding for the year 1945 were as follows:

General snow removal	\$18,797.96	
Plowing streets and sidewalks	8,344.02	
Repairs to equipment	3,972.91	
Sanding	4,597.72	
New equipment and tools	789.03	
		\$36,501.64

Respectfully submitted,

PARKER HOLBROOK,

Superintendent of Streets

REPORT OF THE ENGINEERING DEPARTMENT

December 31, 1945

*Board of Selectmen
Winchester, Mass.*

Gentlemen:

I respectfully submit the annual report of the Engineering Department for the year 1945.

The Engineering Department has again operated with reduced personnel and in addition to the regular departmental work has completed the following special projects:—

Survey plan and estimate for acceptance and construction of Garfield Avenue, survey and plan for the construction of Cross Street as a Chapter 90 project, and plans for the construction of a bridge across the Aberjona River at Mystic Avenue.

Surveys and plans for additional land takings at the High School and the Mystic School were made.

Considerable work was done during the year on the permanent record plan of lots in Wildwood Cemetery.

The Department has co-operated in matters pertaining to the elimination of the Winchester Center grade crossing.

The Board of Survey approved the plans submitted for layout of Hasting Road and York Road, also a modification of the lines of Robinson Park was approved.

Perambulation of the Winchester-Arlington town line and the Winchester-Lexington town line were made.

Respectfully submitted,

PARKER HOLBROOK,

Town Engineer

REPORT OF THE TREE WARDEN

December 31, 1945

*Board of Selectmen
Winchester, Mass.*

Gentlemen:

I respectfully submit the annual report of the Tree Warden for the year 1945.

The annual inspection of the town for the suppression of tree and foliage destroying pests was made, conditions being found generally satisfactory.

The usual program of creosoting gypsy moth eggs, collecting and destroying brown tail moth nests, and spraying for control of tree and foliage destroying pests were carried on during the year.

Spraying and trimming work on private property to the amount of \$1138 has been done this year.

Forty-three Norway maples have been set out during the year.

Respectfully submitted,

PARKER HOLBROOK,

Tree Warden

REPORT OF THE CHIEF OF POLICE

Winchester, Mass., December 31, 1945

To the Honorable, The Board of Selectmen

Gentlemen:

I respectfully submit my report of the work performed by the Police Department for the year 1945.

PERSONNEL

The Police Department, when fully manned, consists of a Chief, a Lieutenant, three Sergeants, nineteen Patrolmen, and a woman Secretary. All officers who served in the Armed Forces

of the United States during the war have returned to duty with the Department, with one exception, and his position is now being filled temporarily by a Special Officer.

I would recommend that a Patrolman be appointed to the Department for the purpose of patrolling the Highlands District of the Town. I would also recommend that the Officers be granted one day off in every six, as Winchester is one of the few communities in Massachusetts that still grant their police officers only one day off in every eight. A second Patrolman should be appointed to the Department to fill in during the additional days off that would be occasioned by the adoption of the new schedule.

EQUIPMENT

The motor vehicle equipment of the Department consists of three Ford cars, a Harley-Davidson motorcycle and a Packard ambulance, which are in the following condition: One car in excellent condition, having been recently purchased; one car in good condition; one car in fair condition, but which should be replaced by mid-Summer; the motorcycle in good condition. The ambulance, which was purchased in 1940, is still in good condition and less than ten dollars has been spent repairing it since its purchase.

Teletype and a complete radio station of our own, broadcasting to three police cars, the motorcycle and three Water Department cars, have been in operation for the past two years, and the results are quite satisfactory.

A camera, enlarger and other photographic equipment was purchased during the year. This equipment is the best obtainable and is in excellent condition. The two spare rooms on the second floor of the Police Station have been remodelled, and made suitable for police photography and fingerprinting; thus, the department is prepared to obtain and present evidence to the Courts by means of the most modern techniques.

The Police Station building is in good condition, although the women's cell block will need to be painted in the near future.

SERVICE

I wish to acknowledge the cooperation and support of the men of the Department and of the Auxiliary Police Officers.

I also wish to thank our present Board of Selectmen and Finance Committee, together with the officers and members of other departments, and the citizens of Winchester, for their courtesy and co-operation throughout the year.

Respectfully submitted,

WILLIAM H. ROGERS,

Chief of Police

REPORT OF FIRE DEPARTMENT

December 31, 1945

*The Board of Selectmen**Town Hall, Winchester, Massachusetts**Gentlemen:*

I herewith submit for your information the following report for the year ending December 31st, 1945.

The Fire Department responded to three hundred and eighteen (318) calls. Used 48,200 feet of booster hose, 19,450 feet of 2½ inch hose and 4500 feet of 1½ inch hose. Raised 1,850 feet of ladders. Used 18-3 gallon soda and acid extinguishers. Traveled eight hundred and fifty-nine (859) miles.

Purchased 500 feet of 1½ inch hose and 50 feet of ¾ inch hose. All of the Department's hose has been tested to 200 pounds pressure. Three hundred (300) feet of 2½ inch hose was necessarily condemned.

Boxes on the Fire Alarm System were tested monthly and found to be in good working order.

Sixty-four (64) oil burners and tanks have been inspected. Oil storage increased 19,125 gallons.

The Manual force consisted of nineteen (19) permanent men originally, with the following changes made during the year: Robert Scanlon retired as of June 2nd; Alexander W. McKenzie retired as of October 25th, and Robert S. McKee resigned as of December 15th. At the present time there are only fifteen permanent and one temporary private in the Department.

I wish to express my gratitude to the permanent firemen who have responded to alarms while they are off duty; to the auxiliary firemen who have given so willingly of their time and efforts and to the members of other Town Departments for their immeasurable assistance and co-operation.

Respectfully submitted,

JOHN J. GORMAN,

Chief

REPORT OF THE TOWN COUNSEL

*Board of Selectmen
Town Hall,
Winchester, Massachusetts.*

Gentlemen:

The activities of the Town Counsel during the past year have consisted chiefly as in former years, of general advice and assistance to the Selectmen and to the other boards, town officers and committees in connection with the performance of their duties.

The land takings, for enlargement of the High School lot and the Mystic School lot, authorized by vote of the annual meeting were attended to; the takings were made, damages paid to those found of record to be entitled thereto and their releases were obtained.

The arrangement for acquisition from the Commonwealth of the land between the part of Manchester Field which the Town of Winchester owned and a line along the westerly bank or where there is no bank, a line distant westerly twenty-five feet more or less from the westerly shore line of the Aberjona River, and the termination of all care and control agreements relating to Manchester Field, authorized to be made by vote of the annual meeting, was carried through and an appropriate deed and agreement obtained.

The first case against the town to be fully tried to a jury in a period of twenty-five years (*Blaisdell v. Winchester*—a petition for assessment of damages for land taken for park purposes) resulted in an assessment of \$650, with interest at 4% from July 15, 1940, as required by law, amounting in all to \$791.14.

A bill in equity brought by the Building Commissioner for an injunction to restrain the use of certain land and buildings on Forest Street for business or commercial purposes, resulted in a preliminary injunction, and a final decree by consent without trial, substantially as prayed for.

A similar petition brought in 1941, not pressed because of changed conditions, and the appeal of Lever et al from a decision of the Board of Appeal made January 3, 1941, were dismissed on the recent calling of the Superior Court docket.

A petition was brought by the Building Commissioner to restrain an alleged violation of the Zoning By-law at certain premises on Main Street and is pending.

A friendly suit was brought against Wakefield for a welfare relief payment, and settled and the City of Medford has brought suit against the town on a contested welfare aid claim, the writ in which is returnable in January next.

No other suit or action was brought by or against the town during the year, and the following proceedings commenced prior to 1945 are pending:

Gertrude L. Treacey, Plaintiff, John and Mary Alves, Plaintiffs, personal injury cases in which the town is defendant, and Blanchard v. Town, a petition for assesment of land damages.

All accident reports and claims for personal injuries and property damage were investigated, but no payments were made on account thereof.

This, my twenty-fifth annual report, is respectfully submitted.

Yours very truly,

ADDISON R. PIKE,

Town Counsel

WINCHESTER CIVILIAN DEFENSE COMMITTEE

December 31, 1945

Board of Selectmen

Winchester, Massachusetts

Gentlemen:

This is the fifth and final Annual Report of the Winchester Civilian Defense Committee.

After four years and eight months of activity, the Defense organization was officially disbanded on December 1, 1945. During that period over 3000 citizens of the town actively participated as volunteers in the 62 various units of the organization. There were no paid workers at any time.

Central Headquarters in the White Building were open at least part of every day until the end of the war with Germany.

The Report Center, The Public Service Headquarters, and the two Medical Depots, ready for any emergency at all times during the war, have now been dismantled and closed.

The Auxiliary Police and Auxiliary Firemen still remain organized under the respective town departments. The Nurse's Aides are now the sole responsibility of the Red Cross. All other unit have been honorably discharged from duty.

During the year 1945 the waste paper and tin can salvage and the assignment of town Victory Gardens continued to be carried on by the Committee. These activities also are now ended.

The cooperativeness of the citizens of the town during the entire life of the organization was extremely helpful and stimulating. Winchester is a better place in which to live because of the intense interest of so many people in the welfare of their community. It has been a privilege to have been one of such a group.

Respectfully submitted,

HAROLD S. FULLER,

Chairman

REPORT OF THE VETERANS ADVISORY COMMITTEE

*The Board of Selectmen
Town Hall
Winchester, Mass.*

Gentlemen:

This is the second annual report of the War Veterans Advisory Committee, and covers its activities for the year 1945. A careful survey of the problems which the returning veteran would face indicated they would be of a wide and varied nature. In order that the committee work efficiently and be of the greatest usefulness to our returning veterans, various sub-committees were set up. On each of these sub-committees is a leading citizen whose background and training fits him to advise the veteran on specialized problems such as education, employment,

legal, medical, loans and the many benefits granted under the G. I. Bill of Rights.

A general counseling group was formed, headed by Erskine White whose function it is to give general counsel to the veteran. Where a specific problem is involved the veteran is referred to the sub-committee chairman, whose background has equipped him to give expert advice. These various sub-committees and their chairman are as follows:

Erskine N. White	Counselor
Ralph W. Bonnell	Employment
Roland H. Parker	Legal
J. Waldo Bond	Insurance
Samuel M. Graves	Education
Richard W. Sheehy, M.D.	Medical
John J. Keefe	State and Federal Aid
Mrs. Robert S. Clark	Family Advisory
Leslie J. Scott	Government Loans

The following appointments were made:

William J. Croughwell	Associate Chairman
Donald J. Lewis	Treasurer
Mrs. Irving E. Jennings	Executive Secretary
E. Craig Greiner	Public Relations
Miss Doris A. Maxwell	Librarian
Malcolm S. Nichols	Consultant
Mrs. Harold A. Smith	Red Cross Representative

In September, 1945, a booklet was prepared and sent to every Winchester man and woman in the service. The expense of printing and mailing over 2000 booklets was cared for through funds contributed by the Winchester Service Committee of the Salvation Army. Other expenses have been met by contributions from the Civilian Defense Committee. So far this program has been taken care of without any expense to the Town of Winchester.

At first, the Information Centre, located in the Public Library, was opened but one night a week. Due to the increase in the number of veterans taking advantage of the Counselling Service, the Information Centre is now open Monday, Wed-

nesday and Friday evenings from seven to nine o'clock and on Wednesdays from ten A.M. to four P.M.

As of December 31, 1945 the Local Selective Service Board has reported to our committee the names of over 600 discharged veterans. A special letter containing information about the activities of the War Veterans Advisory Committee is sent to every discharged veteran. As a result, about 56% have availed themselves of the different services of the committee and demands for counsel are increasing each week. Following is a report of the contacts made with the operating committees, most of them during the last several months of 1945:

General Counselling	122
Government Loans	169
Employment	14
Education	14
Legal	12
Insurance	6
Medical	6

Total	343
-------	-----

Through the courtesy and co-operation of the several local banks, veterans may now have photostats made of their discharge papers at no cost. The committee anticipates that it's activities will be greater during 1946. Steps have been taken to care for the increased calls which will be made upon the various committees for counsel and help. The Chairman wishes to express his appreciation for the contribution which is being and will continue to be made by the public-spirited citizens who form the War Veterans Advisory Committee. It is but small repayment to the many men and women who have given important years of their life to the country's service.

DONALD HEATH,

Chairman

REPORT OF THE WINCHESTER WAR PRICE
AND RATIONING BOARD NO. 346

To the Board of Selectmen:

In behalf of the members of the Winchester Rationing Board, the Chairman presents its fourth, and final, annual report.

The work of the Board continued at full speed until the surrender of Japan. Almost immediately thereafter the rationing of gasoline and fuel oil ceased. The office at 7 Common Street was closed by order of the O.P.A. on October 15, and the Board was abolished.

Respectfully submitted,

DUNBAR F. CARPENTER,

Chairman

REPORT OF THE DIRECTOR OF VETERANS'
SERVICES

December 31, 1945

*Board of Selectmen
Winchester, Mass.*

Gentlemen:

As your agent, formerly Case Investigator for Soldiers' Relief, I report as follows for 1945:

The year opened with 11 cases, 24 dependents, and closed with 9 cases with 16 dependents, a total of 24 cases being serviced during the year.

The Federal and State governments assumed a large part of the burden for the care of veterans and their families so that the expense to our town was at a minimum.

With World War II veterans returning in large numbers it is anticipated that considerable help will be needed during their readjustment to civilian life.

On September 1st the registration of Veterans' discharge papers was turned over to this department by the Town Clerk under a new law. 375 have been registered to date. This work is very exacting and takes about ten minutes to a discharge.

For financial records please see the Town Accountant's report.

Respectfully submitted,

GEORGE W. FRANKLIN,

Director of Veterans' Services

COMMITTEE ON WAR RECORDS

The Committee on War Records has on its cards about 2200 names of men and women who have served in our armed forces. As much data as possible about each one is being collected and the committee welcomes any information that will make the records as complete as possible.

Committee on War Records,

R. B. METCALF, *Secretary*

REPORT OF YOUTH GUIDANCE COMMITTEE

The members of the Winchester Committee on Youth Guidance, appointed by the Board of Selectmen in January 1944, at the request of former Gov. Saltonstall, herewith submit their second report upon their sponsorship of the indoor recreation program in Winchester.

The committee under the chairmanship of John J. Keefe has held numerous meetings during the year and has received frequent reports from the Canteen Advisory Committee upon the progress of the Red and Black Canteen. In February of last year the chairman of the Advisory Committee, Mr. Edwin C. Whittemore, resigned and the management of the canteen was then supervised by Mr. Keefe with Mr. Roland H. McGee continuing as director until the end of May when the canteen was closed for the summer. At this time Mr. Richard F. Fenno was chosen chairman of the Canteen Advisory Committee and Mrs. Frederick B. Craven co-chairman. Under their leadership a newly chosen group of High School students took charge of canteen affairs. These young people, being convinced that the Canteen quarters in the Association Building were inadequate and were limiting the scope of their activities, tried, but with-

out success, to find a more satisfactory location. Only one floor of the Association Building was available for their use and the consequent overcrowding and curtailment of the recreation program brought about a situation where the group was definitely not interested in re-opening the canteen in Association Hall. The result was a recommendation from the Advisory Committee to defer the opening of further canteen activities until such time as proper housing for the canteen could be provided. In accepting this recommendation, the Youth Guidance Committee reiterated its opinion that a canteen project in suitable quarters and under suitable leadership is a very definite need for the young people of Winchester.

Mr. Keefe, through pressure of other duties, resigned as chairman of the Youth Guidance Committee in November, and was replaced in January 1946 by Mr. Angelo P. Tofuri.

The committee is now awaiting the election of the Recreation Commission in March when it is expected that a well-considered and inclusive recreational program for Winchester will be initiated under the commissioner of recreation. It is the hope of the committee that a closer cooperation with the schools and an anticipated use of school facilities may enable the working out of a program which will function effectively until suitable quarters for recreation can be provided by the town.

Respectfully submitted,

ALICE B. BROWNE,

Chairman of Report Committee

REPORT OF THE PLANNING BOARD

January 1, 1946.

The Planning Board submits its thirty-first annual report.

GRADE CROSSING ABOLITION

During the year we have gladly cooperated with the Board of Selectmen in furthering plans for the abolition of the grade crossing in the center. We have joined them in conferences at the Department of Public Works with a view to obtaining an allocation of federal funds for the project.

Numerous plans for the elimination of the crossing have been considered. The only feasible plans appear to be those involving as the main feature (1) the elevation of the railroad with an underpass at the site of the present crossing and another underpass at Common Street and Waterfield Road, (2) an overpass north of the present crossing and (3) an overpass south of the crossing.

In the light of information now available we are of the opinion that plan (1) will promote the public security and convenience better than the other plans under consideration and we have so advised the Department of Public Works in support of the petition for elimination filed by the Board of Selectmen with that Department.

The unanimous opinion of the Board of Selectmen and this Board with respect to this plan of abolition is in accord with the views of the citizens of the town as expressed by the overwhelming vote of 436 to 8 at the public hearing in the town hall on November 28.

THE CIVIC CENTER

Another step in carrying out the plan for the development of the civic center, as outlined in our report for the year 1943, was accomplished during 1945. At the annual town meeting it was voted to purchase the Laraway house near the High School on Main Street; and the title to the property is now vested in the town. This leaves in private ownership within the triangle only one house still to be acquired. Its purchase at

a future date will permit the carrying out of the complete plan for the enlargement and beautification of the High School lot.

It is proposed in 1946, as set forth in the attached six-year schedule of public works, to make further improvements at this location by the construction of a traffic circle at the intersection of Washington Street and Mystic Valley Parkway and the widening of Washington Street between the Parkway and Main Street.

LANDING FIELD

During the year we have given consideration to the possibility of establishing a small municipal airport or landing field in Winchester. If eventually the town is to have a landing field of course a site should be found and acquired as soon as possible.

At our request, the District Airport Engineer of the Civil Aeronautics Administration of the United States Department of Commerce, assisted by the Town Engineer, made a survey of possible sites and submitted a report with the conclusion that the best site he could find he did not consider a good one.

Winchester is not far from the large airports at Bedford and East Boston. A landing field in a residential community such as ours is obviously not an unmixed blessing. Its presence we fear would do more harm than good.

RE-ZONING

At the annual town meeting in March, 1945, we submitted a proposal to change from a general residence district to a single residence district an area of undeveloped land containing about 60 acres located in the rear of Forest Street and extending northerly to the Woburn line and northwesterly to the Aberjona River near Washington Street. This re-zoning was voted without dissent.

This zoning change suggests another; and we intend to submit to the town meeting in March a proposal to change also from general to single residence districts areas westerly of the 60 acre tract and located generally on both sides of Washington Street northerly of Forest Street. These areas are for the most part undeveloped. They appear to be well adapted to use for single residences and the construction of two family houses there would seem out of place.

SIX-YEAR PROGRAM OF PUBLIC IMPROVEMENTS

The schedule of projects or improvements proposed for the six years beginning with 1946 is set forth in Table 4. This is a revision and extension of the program submitted a year ago.

At the time when this report is written, materials in substantial amount for the construction of public buildings are not available and it seems probable that such materials will not be available for several months. Under the circumstances, in the program for 1946 we have listed projects involving chiefly labor and omitted building projects. However, on the assumption that materials will be obtainable in 1947, we have scheduled for that year major construction projects, including the addition to the junior high school building. This addition was originally estimated to cost \$245,000, but recent figures, reflecting the marked advance in building costs, indicate that the addition now will cost \$498,000.

The estimated cost of other major building projects on the schedule, including the new west side elementary school, the additions to the Mystic School and the Washington School buildings and the enlargement of the public library building in 1947 and 1948 have been increased on the basis of current construction costs.

It should be observed that the school building program as set forth on the schedule is tentative and may be revised extensively at a later date as the result of the careful study of the whole problem of school accommodations now being made by the School Committee.

The school building program may be affected by the plan of grade crossing abolition which is finally adopted; and the need for a branch library and a new fire station on the West Side must be considered finally in the light of conditions existing after a determination of the plan of abolition. In anticipation of the adoption of a suitable plan, we have omitted from the present schedule the proposed new fire station. Such a station would seem unnecessary when an easy and expeditious movement of vehicles through the center is assured.

There have also been listed on the schedule in former years a field house and steel bleachers for the athletic field; but there is now uncertainty as to both the type and location of a structure to serve these purposes, and the problem can be solved more intelligently when the plan for grade crossing elimination has been determined. Again it becomes apparent that it is essential to sound planning and to the proper development of Winchester that the abolition plan should be carried forward as speedily as possible.

Our estimate of disbursements for operation and maintenance in Table 2 are based on information now available and of course are subject to change by vote at the March meeting after the usual study and report by the Finance Committee. These figures reflect increased costs which appear certain for 1946, and we have assumed a continuance of such increased costs throughout the whole six-year period.

It appears that these increased expenses, with a suitable margin for capital improvements, cannot be met by the imposition of a tax rate of \$27.20 per thousand,—the rate assumed in our schedules for previous years. The indications at the present time are that a rate of \$30. per thousand will be necessary for a period of years in order that the town may adhere to its time-honored policy of pay-as-you-go. Therefore our estimate of receipts in Table 1 are based on the larger rate.

The figures at the bottom of Table 4 show to what extent a rate of \$30. may be expected to meet the cost of capital improvements. For 1946 the estimated amount available for such outlay lacks \$39,000., and some withdrawal from the excess and deficiency fund appears necessary. But we urge that this fund be saved so far as practicable in order that its accumulations may be used in 1947 and 1948 when the cost of capital improvements far exceeds the amount available from revenue on the basis of a tax rate of \$30.

In 1947 about \$500,000. above such revenue apparently will be required to pay for new buildings and other capital improvements. This can be met by utilization of the town's post war reserve, set aside under Chapter 5 of the Acts of 1943, now amounting to \$400,000., and by the withdrawal of \$100,000. from the excess and deficiency fund which now amounts to \$302,818.

The figures for 1948 indicate the need for nearly \$300,000. This is about the sum which in the usual course may be expected to be added to the excess and deficiency account during the next two years, and it would seem proper financing to make use of it at that time.

The method of financing suggested above will avoid the issuance of bonds during the post-war peak of building construction. In subsequent years the amounts available from revenue appear generally sufficient to meet the capital outlay as scheduled, and in some years more than enough, but of course projects now unknown or too uncertain to warrant their inclusion in the schedule will arise for attention and their cost will doubtless equal the full amounts available from revenue and make necessary also withdrawals in reasonable amounts from time to time from additions to the excess and deficiency fund.

We wish to acknowledge our indebtedness to the Town officers and the Finance Committee for their assistance and cooperation in the preparation of this report on the six-year plan.

Respectfully submitted,

REPORT OF THE PARK COMMISSIONERS

During the past year the work of the Park Department has been mostly that of maintenance, such as the upkeep of the fields for the various High School athletic teams, the care of the beaches and playgrounds, cutting grass, etc.

Three new wells were driven at the Leonard swimming pool and a new pump installed. This has proven very satisfactory and we now have an ample supply of fresh water for the pool.

During the summer and fall the Loring Avenue playground was the scene of a great deal of organized community activities in the evenings. In order to help this effort the department constructed a large outdoor platform or stage, which was used for various kinds of entertainment. These events were very largely attended.

Our beaches and playgrounds were well patronized during the season. Swimming lessons for all classes from beginners to senior life saving were given. Several swimming meets were held, including a championship meet sponsored by the A.A.U. The playgrounds were used mostly by the younger children, with whom the artcraft classes were very popular.

The resignation of Frederic C. Alexander, after thirty years membership on this Board, is regretfully noted by his colleagues. Both his children with families of their own live out of town and he desires to spend much time with them. Seldom a speaker, but always a worker, Fred Alexander has left enduring monuments of his ability as a builder. The Fire and Police stations, the parish houses of the First Congregational and the Unitarian churches, the Noonan School and the Public Library are examples of his professional skill. On this board, month after month, year after year, he gave freely of his talent and his technical knowledge during a period when the expanding recreational interests of the people required the help of such as he.

On September 24, 1945, at a joint meeting of the two remaining members of the Park Board and the Board of Selectmen, Mr. Richard Parkhurst was appointed to fill the vacancy until the next Town election.

SEWER DEPARTMENT

Established 1893

Fifty-Second Annual Report

This year no serious problems confronted the department. The necessary maintenance work has been carried on. There still remain many things that should be done to the plant in order to keep it in good repair. The main gates at the reservoirs must soon be replaced. The gates at the North Reservoir were installed in 1873 and those at the South Reservoir in 1890. They are in such condition they cannot be operated. We are depending on the pipe line gates to shut off the reservoirs. New gates must be installed and the pipe line through the dams cleaned in the very near future. This is a major operation and will entail a large expense.

We reported last year that the West High Service tank was in very bad condition, that it had been repaired a number of times and was disintegrating very rapidly. It is not large enough to supply the future demands on that part of the system. A new steel tank of much larger capacity and height would have to be installed. We requested an inspection by the Engineering Division of the State Department of Health and they reported as follows:

MASS. DEPARTMENT OF PUBLIC HEALTH

October 26, 1945

Water and Sewer Board

Town Hall

Winchester, Mass.

Gentlemen:

In response to the request contained in your letter of October 9, 1945, the Department of Public Health has caused the

water supply of the town of Winchester to be examined with particular reference to the storage facilities at the West Side High Service Standpipe.

The examination showed that this tank was constructed of reinforced concrete in the year 1912, 29 feet in diameter and about 40 feet high. The wall thickness varies from 28 inches at the bottom to approximately 14 inches at the top. The Department is informed that for the past few years trouble has been experienced with the deterioration of the quality of the water supplied because of the chipping off of concrete on the inside near the base of the standpipe. The deterioration has resulted also in a considerable amount of chipping on the outside of the standpipe to the extent that some of the reinforcing bars have been exposed, permitting the water in the standpipe to seep through the weakened concrete in a number of points.

In the opinion of the Department, this standpipe is in such a condition that it is in danger of rupturing, in which case a considerable population in the vicinity of High and Arlington streets would be without water.

The Department recommends that to avoid such a possibility you consider the repair or replacement of this standpipe without delay or that you arrange for a supply of water for this section of the town by some other means. In the opinion of the Department, this situation may be considered of an emergency nature.

The Department is of the opinion that in this matter time is of the essence since the coming winter season is likely to considerably increase the rate of deterioration of the concrete.

Respectfully,

(signed) VLADO A. GETTING,

Commissioner

On Turkey Hill in Arlington, near the Winchester line, there has been erected a new 2,000,000 gallon tank for the Metropolitan District Commission. On making inquiries we found that the Town could purchase water from the Metropolitan District Commission for the West High Service for \$40 per million gallons. It now costs the Town for pumping and other expenses

about \$60 per million gallons. The saving by purchasing water from the State would be about \$20 per million gallons, besides the building of a new tank which would cost about \$30,000. Under the new law enacted in 1945 by the Legislature the entrance fee to the Metropolitan System was done away with if a town or city takes its entire water supply from the Metropolitan. But, if only a part of the supply is taken a small entrance fee, based on the valuation of the district served, acts as a service charge. In the case of Winchester it would be \$4500.00. We are very fortunate in having a large pipe line within 500 ft. of the Metropolitan supply which could be connected to this supply at a very small cost. After consultation with the Finance Committee we all agreed that it was the wise thing for the Town to make this connection and purchase the water for this district, thus saving a large investment by the town. The Town of Arlington was ready to rebuild the street in which the main would be located and it seemed best to the Water Board and the Finance Committee that this pipe be laid before the street was resurfaced, thus saving quite a sum of money. The Water Board has connected our system to the Metropolitan system. We wish to thank the Finance Committee for their very careful consideration of this problem and for their advice. A large part of the future development of Winchester will come in the district served by this new supply and we are now ready to take care of any additional load. We will still maintain our pumping equipment so we may return to our old supply if for any reason it seems wise.

We have recently passed through a very dry weather cycle and the auxiliary water supply more than justified our recommendations for its installation. We now appear to be in a wet cycle. The auxiliary plant was shut down in February and we do not anticipate having to use it for some time as the reservoirs are very full for this time of year and we expect that they will overflow in the spring, which has not happened since 1939.

We must carry on a program of cleaning water mains some of which are very old. In this way the present mains will be adequate for some time and will increase the supply for fire protection. The Forest Street main from Highland Avenue to the Stoneham line was cleaned this summer with good results.

We have been able to replace one automobile with a new one, much to the advantage of the repair account and the efficiency of the department. Others must be replaced as soon as possible.

Much needed repairs, both inside and outside, were made at the Superintendent's house.

Some new housing developments have started during the year and it now looks as if we would be called upon to supply quite a number of new houses with both water and sewer.

The sewer assessment during 1946 will be made at the rate of \$2.53 per foot of sewer built. One-third of this is borne by the Town and two-thirds by the property bettered.

There were no unpaid water bills on December 31st. A cash profit of \$12,590.91 was made for the year 1945, in addition to providing free care and water for 646 town fire hydrants and water for all town buildings.

At the annual Town Meeting in March the Town voted to pay a bonus to its employees of 23% up to \$300.00 for the year. The total amount paid to Water and Sewer Department employees was \$4,382.54. This was added compensation to the regular wages to cover the increased cost of living. The amount was paid out of a special appropriation for bonuses and not a departmental appropriation.

Four of our men who joined the Army have returned to work suffering no casualties, for which we give thanks. The department has been handicapped for the services of these men. We now hope to carry on in a normal way.

Respectfully submitted,

WATER AND SEWER BOARD

REPORT OF MIDDLESEX COUNTY EXTENSION SERVICE

This service has been carried on this year much as in 1944, working through a Winchester 4H Club, having a membership of about thirty.

Regular bi-weekly meetings were held in the Winchester Public Library during the winter, spring and summer, and most of the members planted and took care of their own Victory gardens.

Gardening literature, supplied by the County Extension Service, was distributed at the meetings. Moving pictures were shown and talks given on good citizenship and behavior.

Awards were made for merit as follows:

Two members, Robert Brazeau and Richard Brazeau were sent for a three day conference meeting at Massachusetts Agricultural College at Amherst. Four boys were each given a week at the 4H Club Camp at Ashby, Mass., Harold Moran, Peter Agri, John Shields and Frank Michensie.

REPORT OF THE BOARD OF PUBLIC WELFARE AND BUREAU OF OLD AGE ASSISTANCE

Welfare in Winchester is administered by a five man Board which functions both as a Board of Public Welfare and a Bureau of Old Age Assistance. As a Board of Public Welfare it dispenses Aid to Dependent Children and General Relief. The latter is entirely paid for by the Town. As a Bureau of Old Age Assistance it dispenses Old Age Assistance. Old Age Assistance and Aid to Dependent Children are both subject to State and Federal Regulations and in these two categories of Assistance the Town is substantially reimbursed from State and Federal Funds. The actual administration of all three categories is in the hands of the Welfare Agent who has reporting to him a Social Worker, a Senior Clerk and a Junior Clerk, all of whom are civil service employees.

Because State and Federal Funds are involved in Old Age Assistance and Aid to Dependent Children, the bookkeeping is necessarily complex. Some of the money with which we are reimbursed is returned directly to the Bureau and some is refunded to the general accounts of the Town and is not credited to the account from which it was disbursed. Because of these intricacies it is not easy to show clearly what Welfare does cost the Town of Winchester. A close approximation for 1945 shows that of the \$46,679.00 expended, we recovered \$30,861.00 so that the out-of-pocket cost to the Town is about \$15,818.

GENERAL RELIEF

General Relief, for which the Town bears the entire expense, has remained fairly constant during 1945. The people who are aided under this category do not qualify under Federal Regulations for Old Age Assistance or Aid to Dependent Children.

As usual some of these cases did not require financial help, but rather were in need of advice and planning of a social nature. The assistance we received from other social agencies in the Town is gratefully acknowledged.

OLD AGE ASSISTANCE

Although the number of cases receiving Old Age Assistance remained about the same as 1944, the cost continues to increase due to necessarily more liberal budgetary allowances. There is also a continuing trend towards more liberal legislation affecting this category. Without much question, the cost will increase year by year although there is this compensation; for every monthly grant of \$40.00 or less, the Town recovers one-half from the Federal Government and two-thirds of the remainder from the State. This means that on each \$40.00 monthly grant, the breakdown is as follows:

Federal	State	Town
\$20.00	\$13.33	\$6.67

In addition, the Federal Government adds 3 1/3% to their contribution to help defray administration expense, so that actually the cost to the Town is only 30% of what it might first appear to be.

AID TO DEPENDENT CHILDREN

Here again, the case load on Aid to Dependent Children was about the same as 1944. As in Old Age Assistance, the State and Federal Governments participate in the cost; the Federal Government contributing one-half of the cost, \$18.00 a month on the first child and one-half the cost of \$12.00 for each additional child. The State assumes one-third of the total grant and the Town the remainder. A case involving two children with a monthly grant of \$30.00 would be divided as follows:

Federal	State	Town
\$15.00	\$10.00	\$5.00

COMMENTS

Dr. Sheehy continues as Welfare Physician on a per call basis. The recipients of Old Age Assistance and Aid to Dependent Children have a choice of physicians.

In October, Mr. William P. Supple was appointed Agent succeeding Mr. W. J. Maag, who resigned. Prior to entering the

U. S. Army, Mr. Supple was for several years Supervisor of Old Age Assistance for the City of Medford.

The detailed statements of receipts and expenditures are included in the Report of the Town Accountant.

SEVENTH ANNUAL REPORT OF THE BOARD OF RETIREMENT

*Board of Selectmen
Winchester, Mass.*

Gentlemen:

During the year twelve members have been added to the Retirement System, nine members have withdrawn, one member has been retired on pension, one member on a pension has died, making a total of one hundred sixty-one active members and eleven pensioners at the end of 1945.

The total paid out for pensions during the year was \$9,449.65 and total paid to pensioners since the system started on July 1, 1939 is \$38,830.84.

During 1945, from Town appropriations and surplus funds, \$38,000.00 was invested in U. S. Government bonds, making a total of \$96,000.00 so invested.

The total assets of the Board of Retirement as of December 31, 1945 are \$146,736.22.

Six members of the system who were with the armed forces have returned to the employ of the Town.

Mr. Robert E. Fay still continues as secretary of the Board of Retirement.

The necessary financial and statistical tables are attached.

Respectfully submitted,

PARKER HOLBROOK
WILLIAM E. PRIEST

REPORT OF WINCHESTER BOARD OF HEALTH

Your Board of Health herewith presents its report for the year 1945.

The year 1945, from a communicable disease standpoint, proved to be a mild one. We were particularly fortunate in having no cases of infantile paralysis although 534 cases occurred in this State, the highest incidence since 1935. There were but 26 cases of scarlet fever this year compared to an average of 55 cases for the preceding five years.

The revision of the rules and regulations of the Board of Health, pertaining to communicable diseases, started late in 1944, was completed. These revisions, which were published in January, became effective on January 25. The isolation and quarantine requirements for communicable diseases in our regulations were made to conform with those of the State Department of Public Health.

The communicable disease bills, some of long standing and totalling as high as \$9,000 two years ago, have been completely cleared up as of December 1. This has been accomplished through the friendly teamwork of your Board and your Town Collector, Mr. Nathaniel M. Nichols.

The Dental Clinic has been well attended and has functioned smoothly. The system, put into effect several years ago, of having eligible children in the kindergarten and first four grades accompanied to the clinic by an older child, also in need of dental treatment, rather than by a parent, has reduced broken appointments to a minimum.

The continued close cooperation of the School Committee has resulted in another dental survey of children in the kindergarten and the first four grades. This survey, conducted under the supervision of the new Superintendent Mr. Forbes H. Norris, who is intensely interested in the health of the school children, has been 100% completed.

The Board has set up liberal financial eligibility standards for treatment at the clinic. A new system has been established

whereby the parents of children seeking treatment must supply certain information upon cards provided for this purpose in order that the Board may determine whether the family's financial status brings them within the eligibility standard set by the Board.

We regret to state that a few parents appear to be callously indifferent to their children's dental needs. Some adult health education is needed.

The Dental Clinic for preschool children, which is held in July, is continuing to prove a worthwhile project.

Dr. Roy Y. Raymond, our clinic dentist, has been kept extremely busy throughout the year. Seriously ill for a few weeks last year, Dr. Raymond's health has improved steadily. May this improvement continue.

The attendance at the Baby Clinic conducted on Tuesdays and Thursdays has been most satisfying. The efficient work of the Clinic Physician, Dr. Roger Burgoyne, is greatly appreciated by both the mothers and the Board.

The collection of garbage remains a worrisome problem. The labor shortage has made it difficult to replace men, especially drivers, when ill, and on a number of occasions has necessitated the borrowing of men from the Highway Department to keep the trucks in operation.

Your Board of Health recommends, and both the Board of Selectmen and Superintendent of the Highway Department concur, that the collection of garbage be transferred to the Highway Department. This recommendation will come up for action at the annual Town Meeting.

Garbage collection is definitely not the function of a Board of Health but, as in all progressive cities and towns, the work of the Public Works Department or in lieu of that, the Highway Department. Our Highway Department has the drivers and trucks and it has the foremen to supervise collections.

At the March Town Meeting in 1944 the recommendation of the Special Dump Committee for a new dump site was accepted and the Town purchased the Puffer property in the rear of the Cooperage property on Swanton Street. Previous to the 1945 Town Meeting, your Board, together with the Special Dump Com-

mittee and the Town Engineer, had investigated various disposal methods. As a result of this investigation it was agreed that the modern Sanitary Fill method would be the most desirable for our Town. Briefly, this method consists of burying all waste materials by use of a bulldozer, thereby eliminating all burning and nuisances associated with dumps.

After a thorough discussion, the Meeting appropriated the sum of \$13,000 for the purchase of a bulldozer, erection of a garage, a wire mesh fence, the laying of water pipe, road surfacing and general development of the dump site.

Your Board found that the removal of the debris of the two soda fountain factory buildings, one brick and one wood, and the factory foundations, concrete aprons, the piles of marble debris which had accumulated over the years and especially the blasting of the heavy concrete pits presented a serious problem.

Fortunately for the Town, the James J. Fitzgerald Contracting Company, in need of material for fill, offered to clean up the site in exchange for the needed fill.

At a joint meeting, the Board, the contractor, and the Town Engineer, agreed to the removal of an area of low grade fill which enclosed the debris. The contractor agreed also to load all town trucks coming for fill while his steam shovel was in operation, to grade the site for the garage and to excavate to a grade set by the Town Engineer. This work is already well underway and we feel that this arrangement represents a very substantial saving to the town, both of time and money. Delivery of the bulldozer ordered last May, and delayed because of priorities, has been assured by April 1. The garage plans are completed and construction will start as soon as the weather permits.

The contract for a six foot wire mesh fence to separate the dump from the Cooperage property has been awarded to the Central Hardware Company, the lowest bidder. The fence will have double swing gates which can be locked, thus insuring dumping only during regular hours and under supervision.

Mr. William B. MacDonald continued as Agent, serving in his usual competent manner.

The Board is happy to announce the return on December 1 of Miss Hilda G. Hope to her former position as Public Health

Nurse. Miss Hope has a splendid war record to show for her three years of service in the Army. Welcome back, Miss Hope.

To Mrs. Mabel B. Ross and Mrs. Genevieve Corbett, who have shared the nursing work so capably and harmoniously for eleven months of 1945, the Board extends its sincere gratitude.

The year, 1945, our fourteenth in the present building, has been a record year in many ways.

The circulation of adult books has been considerably larger than ever before; but the largest increase comes from requests for information about a variety of subjects, especially about those

dealing with business possibilities and also in the professional fields of engineering, chemistry and other allied fields.

We have been fortunate in securing for the important position of Reference Librarian Mrs. Margaret W. Erskine, a resident of Winchester. She has been reference librarian in Arlington for eight years, and during the past two war years was a reference librarian in the Public Library of Baltimore, Maryland, specializing in the fields of Education, Philosophy and Religion. She has a graduate degree from Simmons College in Library Science, and a total of thirteen years working experience.

The room in the Library set aside for the Winchester War Veterans' Advisory Committee has been in use for about a year. We received a letter dated October 22, 1945, from the chairman of the above Committee asking for the use of an additional room in the Library (which request will, of course, be granted), stating:

"If the Library Trustees could see their way clear to permit the use of another room for such a worthwhile community activity, I feel sure it would be appreciated by the War Veterans' Advisory Committee, the Town's people, and the War Veterans, who would receive counselling service in a pleasant environment."

The Art Association, Mr. G. Russell Mann, President, has, notwithstanding the troubled times, shown surprising resourcefulness in obtaining exhibits of high quality throughout the year. The final exhibit was one of rare beauty. It was the memorial exhibit held in December and arranged by Mrs. Alexander Samoiloff of the paintings of her father, Mr. Hermann Dudley Murphy, A. N. A. Mr. Murphy was an artist of national reputation, a member of the National Academy of Design, a former resident of Winchester and Chairman of the Advisory Art Committee of the Library.

The Winchester Historical Society, Miss Clara R. Russell, President, has carried on in 1945 with its full quota of successful meetings. Its membership and treasury funds have increased, thanks to the work of its officers. Among the questions being considered by the directors are how can the Society's lectures best link together pioneer history with today's epoch-making

modern history; and how can the Society's present (and future) collection best be housed and displayed.

There has been a marked increase in the Library's trust funds, due to the splendid bequest of Mr. Jere A. Downs and his sister, Mrs. Lewis L. Wadsworth. These funds are now as follows:

Zachariah Symmes Fund of \$757.52
Charles W. Bradstreet Fund of \$1,000
Abraham B. Coffin Library Fund of \$2,000
Frank W. Daniels Library Fund of \$500
Nancy S. Howe Library Fund of \$1,000
The Albion K. P. Joy Fund of \$2,000
David N. Skillings Fund of \$500
The Bradlee Rogers Winchester Library Fund of \$1,000
Cora A. Quimby Fund of \$3,392.26
Francis E. Smith, Jr. Fund of \$500
Daniel B. Badger Library Fund of \$500
Nettie F. C. Winn Fund of \$1,000
Jere A. Downs Library Fund of \$39,000
Mrs. Elizabeth Downs Wadsworth Fund of \$5,000

As we said in our last report:

"While the present Board of Library Trustees cannot bind subsequent boards in determining to what uses the fund shall be put, the Board is of the opinion that it should not be used to effect a reduction in the normal appropriations for the operation of the Library, but to enrich the service of the Library to the citizens of the Town beyond what might be regarded as a fair normal service."

The increased use of the Library, especially of the Young People's library, and the imperative need of more stacks for the constant increase of new books will necessitate enlargement of the building in the not too distant future. As part of the regular six-year forecast drawn up annually by the Planning Board, we have listed these two projects with the Board, and have also mentioned to it for its consideration the fact that there is a demand for a branch library for the West Side as a future possibility.

In common with other public departments and business organizations we have met with difficulty in filling vacancies on the staff. This has put a great strain upon all members of the

staff, and especially upon the Librarian, which they have cheerfully met; and we want to extend to them our keen appreciation of their uncomplaining faithfulness in meeting the emergency. We call the attention of the citizens to the report of the Librarian, in which is fully set forth her difficult problems and the way in which they have been met.

Board of Trustees of the

Winchester Public Library

To the Board of Trustees of the Winchester Public Library:

In reporting activities for 1945, a year divided between war and peace, it seems pertinent to the record to sum up the services of the Library during the long conflict. These should be recognized by passing in review before the Library, too, lays away certain of its tools and displays its peacetime wares.

During 1940 the Winchester Public Library was busily at work, its every effort and resource dedicated to being a part of Winchester. The Staff was in the midst of reorganization, of the re-distributing and cataloguing of the collections, of the re-registering of borrowers. It found itself also under the necessity of keeping in circulation timely volumes and periodicals on the European Conflict and of presenting printed comment on America's prospective role in World War II.

That year, still pre-war for the United States, the Library began a clipping file with items of local, national, and international interest. It purchased many new reference books, coordinated them with those already on the shelves, and placed them where readily available. It displayed and dispensed information on Selective Service, preparedness, the use of Government facilities and benefits. It gathered material relative to the pre-induction Army tests and similar new demands. Books on technical subjects, aeronautics especially, were given particular attention.

And all these resources were called to the notice of the Winchester public through statements in the local newspaper, and by other means such as book lists and talks before groups both inside and outside the Library — for a good library feels the responsibility not merely to give out books and information but to create incentive to read them.

Although in 1941 Europe was in its third year of actual conflict, World War II, was, to many persons in the United States, still incredible and still a good wide ocean away. Interest in international problems increased daily, however, and the Library had long been providing information for the divided opinion it then represented. More and different people wanted to find out more and different things, very different things. The world was stretching out to distant places before their very eyes — while, paradoxically, through radio, movies, and personal experience, it shrank and seemed to come within reach. Such interests were, furthermore, only a special stimulus to the steady growth evident in all sections of the Library Service.

After Pearl Harbor, the demands on the Library Staff and shelves became both increased and concentrated — if anything covering Total War and even One World may be called concentrated.

At this time the Library prepared intensively to become a center for more civic as well as cultural efforts, to fulfill its primary function of making easily available to all the community the information already at hand, to expand such information and data, keep it up to date, and make its various services so well known that the Library would represent not only information but courage and inspiration to the entire community.

The Office of Production Management, Lend Lease, and the proclamation of the National Emergency created specific needs that the Library took action to meet. It distributed pamphlets issued by the Department of Agriculture on the economical use of foods, and displayed posters on this and similar problems of the moment. The Atlantic Charter was signed. In the foyer a special corner on Civilian Defense was arranged where government pamphlets, forms and notices were stocked for the convenience of inquirers. A bulletin board for current information was maintained. Books and pamphlets coordinate to these interests were gathered here from the shelves or acquired

by purchase and made immediately available. The considerable technical and secretarial work required for the replenishing of this service was done in any moment that could be snatched from necessary routine and imperative projects — with no increase in staff.

From the first the excellent facilities of the Library building were shared with special new groups representing defense projects. Immediately after Pearl Harbor, the Library Trustees extended hospitality to the Winchester Civilian Defense Committee and the Red Cross. Meetings of the Auxiliary Police and Air Wardens were held in the Library, and the Conference Room and Art Gallery were made available to the Red Cross for its courses in first aid, home nursing, and nutrition. Of these there was an uninterrupted series, season in and season out, and the continuous passing of persons, often strangely costumed and accoutred, became a commonplace to the staff. The Library provided accommodations, also, for the Defense Bond and Stamp Committee for its meetings for planning and the instruction of volunteer workers preparatory to the various drives. During their first distribution Defense Stamps were sold at the main desk by the librarians on duty, and purchases, usually in small amounts, reached a total of several hundred dollars. It should be added that the meetings and classes already mentioned were in addition to similar provision for the interests of nineteen other community groups, civic or cultural.

Space and time were found also for programs of music, for readings, craft demonstrations and the like, designed to sustain civilian morale and to meet the need of the community to draw together for comfort and strength against the darkening threat of war. The Library became a collection center for books given by townspeople for service men and the USO. Such books were sorted with the assistance of volunteers, and were then packed and shipped by the Building Superintendent.

Our services might have been seriously hampered by the blackout restrictions, had it not been for the skill with which the Building Superintendent met these requirements. He prepared the main part of the building for complete blackout, accomplishing this without curtailing the daytime use of the rooms and despite their stone and fireproof construction. He made plywood shutters, bound with weather stripping. These snapped

into the windows and fitted the spaces so closely that additional curtains, to cover cracks and to give protection from flying glass, were unnecessary. The shutters were put in position when needed by our own staff, well drilled as to their individual duties in the matter of blackouts and raids. As an emergency shelter, a downstairs room was prepared, with staff members assigned to its charge when in use.

After 1941 the responsibilities of the Library toward its users were greatly increased. Students became more interested in practical fields, and defense workers, called for technical texts in quantity and great diversity. The Library continued its effort to supply material on world problems, both background and current report.

From the beginning of the war the Library had gathered data to provide an immediate and permanent chronology of war events. A section in the main library was given over to the display of the World News Map of the Week. Nearby were posted other maps showing current activity in the war theatres, with supplementary charts and atlases helpful in interpreting the progress of the War. This continued to be one of our most active efforts, and was under constant inspection by visitors. In all these phases, the general reference work of the Staff was immensely increased.

While meeting such needs, the Library felt an equal responsibility to gather and display books that should provide pleasure and relaxation for the growing tension in adults and children alike. The Staff took special thought to make the Children's Room a happy haven. There was need, too, to display there, information suitable to their wish to understand and share in the general effort first toward defense and then toward war. The later purchase of a record player and radio for them, made possible by the David N. Skillings Fund, met with gratifying response and was put to regular service. The regular exhibits of the Art Association were similarly appreciated by the townspeople.

During 1942 each of these Library efforts further increased, and others were initiated to keep pace with actual participation in the War. Only efficient and faithful work by all the Staff, with much cheerful overtime service given without compensation, enabled the Library to meet and share in the aroused in-

terests of the community and to cooperate fully with Government war work. Constant reference work was done and current and back issues of periodicals were in great demand. History, including current books about the War, leaped four places in general interest. "How-to-do-it" books, geography, science, languages advanced similarly. Families wanted to know about the distant places where their service men were stationed. Calls came from mothers who wanted to know the climate, living conditions, and every available fact about places all over the world. Career books and biographies were asked for by young adults; children read more and more and more. Our borrowers numbered nearly half of Winchester by actual count. Telephone calls for immediate information and for reference work increased and increased.

The Library was proud to be chosen one of twelve hundred War Information Centers to file and dispense material from the Office of Facts and Figures, of War Information, Civilian Defense, and other Government agencies. It set up a section, with shelves and bulletin boards, for this and supplementary material. Books and other sources were assembled for various wartime study groups; exhibits were arranged to stimulate reading on Winning the War and Planning the Peace. Assistance in procuring data on Winchester men in service was given the town's War Record Committee.

The Library had received, through contributions and gifts, a fine moving picture projector, and had instituted weekly programs of Education Motion Pictures for adults and for children. War Information films of the Government, documentary films interpretive of our allies among the United Nations, were included on these programs. Books correlated in subject were exhibited with them, and the Librarian spoke briefly about them and associated material.

Increasing use was made of the Library building. The number of meetings held there considerably more than doubled to reach a total of 251. In spite of this increase in duty for the Building Superintendent and his assistant, they continued to pack and ship the books collected for men in service by the Victory Book Committee, of which the Librarian was chairman. In that year Winchester contributed 12,300 volumes.

Any event profoundly affecting the community is immediately reflected in the demand made upon any effective public library. In 1943 the War continued to dictate the pattern of our established activities and to require many supplementary efforts. Shortage of manpower for non-essential industries and domestic purposes gave special prominence to books and articles on the upkeep of the house and its contents. Consumer information, designed to stretch family ration points, and all material on nutrition were in constant circulation. Books on technical subjects continued very active indeed. Persons already working in war plants wished to understand mechanical processes, and to do better work, and Winchester young men and women about to enter the Armed Forces were preparing themselves for tests, as well as for military procedures and etiquette.

Parents asked for help with problems of child adjustment to war conditions, and our Parent's Room proved its worth. Everybody wanted to read personal narratives of the War and to inform themselves on the war effort. Books helped clarify details of Government regulations and benefits. Bibliographies were prepared for the Red Cross and Defense Courses held at the Library and reading lists were compiled for many other groups. Many foresaw the problems of international cooperation and wished to study peace proposals and post-war plans. Our borrowers increased by over a thousand, and our research and reference calls reached an all-time high, as did the circulation of children's books. The Library was again a collection center for books for the Armed Forces, and cooperated with war-relief organizations in its film programs and provided space for their meetings.

Special attention was given to our supply of garden books and pamphlets, as had been the case during 1942. A list of the most useful garden books was prepared. The Winchester Civilian Defense Committee assigned consultants to the Library, and much Victory Garden information was dispensed. This was later sustained by information and demonstrations on canning and preserving. Space and service was again provided for 258 meetings during the year, and for these alone 18,400 persons passed through the building. The Public Relations Division of the American Library Association made special mention of our

moving picture programs, for which a system of admission by ticket had become necessary to give equal opportunity to all to attend. The Magnavox record player was used daily in the Children's Room and was a recognized contribution to morale at all times.

All this with no increase in staff but with the cooperation of our visitors and borrowers, with their patience in times of special pressure — and with continued effort on our part to make the townsfolk increasingly aware of the important resources the Winchester Library could offer them in their wish to keep abreast of war and world conditions.

In 1944, in addition to previous war interests, the issues of international relations and peace settlements had a marked bearing on the increased use of books in certain subject fields, and much pamphlet material was called for. Together with demand for books on the factual problems of reconversion of war industries, monetary policies, post-war employment and housing, there was a marked increase in those on social problems, history, government, biography, and religion. Books in foreign languages were obtained regularly from the Massachusetts Division of Public Libraries to supplement our smaller collections. Nearly sixty per cent of the residents of Winchester were registered borrowers at the Library, and again there was a notable increase in boy and girl borrowers.

In 1944 the Library provided as usual for the many meetings of various groups. During the winter months, to conserve coal, the Sunday gallery talks of the Art Association were given on a week-day evening. To meet a new need, the Library placed the Parents' Room, with temporary transfer of this collection to the general stacks, at the disposal of the Winchester War Veterans Advisory Committee. The room was re-furnished most attractively by the En Ka Society, and provided a consulting and guidance center for this important work in an informal and homelike atmosphere. With their needs in mind, the Library increased its collections of vocational and rehabilitation material, and offered coordinate service to other town agencies set up to assist returning soldiers. Congresswoman Edith Nourse Rogers asked the Government Printing Office to send us the Congressional Records as they were issued, and to supply copies of important bills on our request.

The work of 1945 was accomplished despite shortage in our already concentrated staff. This shortage was in addition to our lack of a Reference Librarian. But somehow the ever increasing demands were met. The teamwork and determination of all the Staff to make the Library count during these war years was both typical and notable.

New topics came up for attention, and new group needs. Information on labor and manpower problems, on trade agreements, on inflation, on public relations, on the Pan-American republics and the small nations was called for. More books were packed for soldiers, more borrowers and inquirers were served. Hospitality was arranged for courses on adult education, especially languages, and new projects were planned.

The blessed excitements of V-E and V-J Days at once brought new hopes and needs, but they found the Library with its War Data authentic, up to date and in action, properly coordinated for future retirement to reference files and historical sources. This, on the one hand; on the other, increased activity toward peacetime pursuits, toward the adjustments and problems of reconversion in industry, and an immediate concern for returning Veterans. This meant more material on business opportunities and practice, and on labor relations. Financial magazines, directories of manufacturers, college catalogues, and vocational literature were called for, with accompanying reference service in educational and industrial fields.

So the Library has found that there is always a "time for greatness", and never a time to "burn the books." Every individual must have the means to read and study and think clearly, in order to meet his responsibility to his neighbor and to fulfill his endless obligation to those who made our peace possible. This is not a new doctrine. John Stuart Mill has stated it: The Winchester Library, in its office to repeat and repeat and repeat the good things, merely refers you to it in turning its energies toward peace:—

"A people may refer to free government, but if, from indolence, or carelessness, or cowardice, or want of public spirit, they are unequal to the exertions necessary for preserving it; if they will not fight for it when it is directly attacked; if they can be deluded by the artifices used to cheat

them out of it; if by momentary discouragement, of temporary panic, or a fit of enthusiasm for an individual, they can be induced to lay their liberties at the feet even of a great man, or trust him with powers that enable him to subvert their institutions; in all these cases they are more or less unfit for liberty; and though it may be for their good to have had it even for a short time, they are unlikely to enjoy it."

Respectfully submitted,

CORINNE MEAD,

Librarian

REPORT OF THE SCHOOL COMMITTEE

To the citizens of Winchester:

Your School Committee submits its annual report for the year 1945.

SCHOOL SURVEY REPORT

The advent of the new year found your School Committee facing a multiplicity of problems, having to do with practically every aspect of our school system. We were in possession of the exhaustive and constructive survey report of Dr. John Guy Fowlkes and his staff that was a challenge to us to take steps to remedy the curricular defects found, and to give serious study to the recommendations embodied in the report. During the past year many of these recommendations have been acted upon in whole or in part and others will be carried out in the near future.

NEW SUPERINTENDENT

In February Mr. James J. Quinn, superintendent of our schools for the past twenty-two (22) years, tendered his resignation to the Committee and it was accepted with regret. A motion was inserted in the records thanking Mr. Quinn for his valued services throughout his tenure of office. Your Committee made exhaustive inquiry into the educational field in search of a new superintendent, and after many personal interviews with prospective applicants, unanimously elected Mr. Forbes H. Norris. Mr. Norris comes to us after having served as assistant superintendent of schools of the public schools of Richmond, Virginia, for the past twelve (12) years. He has had an extensive educational background and a rich and varied experience in teaching and administration in the elementary and secondary fields. His personality and affability has made a distinct impression on the residents of the Town in the short space of time that he has been with us. The Committee has been much impressed with his work in the schools and in his Committee relations.

SUPERVISION

According to the survey report, one of the weaknesses of our elementary system was a lack of supervision. After much study it was deemed advisable to accept the survey recommendation and establish positions calling for three elementary supervisors and as a result of this action, Miss Mabel C. Lowry was made a supervising principal of the Wyman School. Miss Leonor Rich, a former teacher for many years at the Washington School, and more recently an elementary teacher at Newton was engaged, and during the past year has acted as supervising principal for the rest of the elementary system. As soon as a competent person can be found we will have each of the two supervisors working with the staffs of two elementary schools, and one supervisor will remain in the Wyman School. It is the view of your Committee that this plan will more effectively motivate the elementary program, provide assistance to young teachers, make for uniformity of procedures, provide for a complete testing program, and allow the Superintendent to keep in close contact with the achievements in our elementary schools.

BUILDINGS AND GROUNDS

During the summer months approximately \$12,000.00 was expended for repairs to the school buildings and grounds. No major building operations could be carried on due to shortage of labor and materials. The Wyman School continues to be badly over-crowded and this condition has seriously hindered our educational program. This situation may be remedied as soon as the addition to the Junior High School can be accomplished. It is the plan of your Committee to remove the superintendent's office to the Wadleigh School as soon as the freshman class can be transferred into the Junior High School, thereby allowing the present administration office to be adapted to classroom purposes, housing students who would normally be accommodated in the Wyman School. When this is done the Wadleigh School can be utilized as a central storage building in addition to accommodating the superintendent and offices for other key people in our system. The long-awaited addition to the Junior High School, making it such that the freshman class can be included

in the present building, will be started during the coming year provided building materials are available. The architectural firm of Kilham, Hopkins, and Greeley of Boston have been making a study of our future building plans and have submitted sketch plans and estimated costs, not only in conjunction with the Junior High School project, but also in connection with the construction of new high school facilities. The construction of a new elementary school west of Cambridge Street still remains in our plans.

Thomas Drapeau, for many years custodian of the Lincoln School, was elected to fill the new position of Supervisor of Buildings and Grounds. He has entered into his new duties with enthusiasm and should relieve the Superintendent of the greater part of this responsibility, thereby giving him more time to concentrate on the educational structure of our schools.

MUSIC AND ART

For the first time in many years our high school now has a representative band. This has come about through the efforts of our new superintendent, a responsive student body, and the untiring efforts of Miss Alma Stoddart, our Supervisor of Music. The Committee takes this opportunity to express its thanks publicly to Miss Stoddard for her work in this respect.

A further elaboration of our music program has come about recently when your Committee engaged Mr. Fred Felmet, formerly connected with the Richmond Public Schools and a veteran of World War II, to formulate a program whereby instrumental music will be taught in our elementary and Junior High Schools. His early contact with the student body indicates that this phase of our system will be enthusiastically received by the student body and will insure the future success of our school band.

Our art program has been strengthened and elaborated through the efforts of Miss Dorothy Sharples, formerly of the Boston University School of Art and her assistant, Miss Virginia French, who for many years taught in the Melrose School system. The Town can look forward to a greater emphasis on this subject in the immediate future.

ATHLETICS

During the past year the scope of our athletic program has been greatly enlarged. The return from service of Mr. Alfred Meurling, Physical Education Instructor in the Junior High School, has allowed us to utilize the services of Mr. Lawrence Palmer as hockey coach and part-time physical education instructor for the boys in the elementary schools. It is the opinion of your Committee that much more should be done in the field of physical education at all levels of the school system. Coach Henry Knowlton and his able corps of assistants, have continued to produce not only winning teams in football and basketball, but have placed their usual emphasis on the development of the boys from the standpoint of good citizenship and fair play. Mr. John Downs, a former student in our schools, developed an excellent Cross-Country team.

Mr. Ray V. Hayward, Faculty Manager, carried on as baseball coach in commendable fashion.

The lack of a suitable football stadium has caused your Committee much anxiety this year. Manchester Field, lacking a field house, adequate seating accommodations and a suitable enclosure has been far from satisfactory. It is the sincere hope of the Committee that a solution to this vexing problem will be found before next fall.

TEACHING STAFF

Your Committee was confronted with twenty-one teacher vacancies this year, an unusually large number for a system the size of ours. Despite the dearth of teachers, your Superintendent was able to fill the vacancies with competent teachers, some being engaged on a temporary basis.

During the past year we accepted, with deep regret, the resignations of Miss Florence Parker and Miss Louise Taylor. Miss Parker taught English in our High School for thirty-three years and during that time endeared herself to students and parents alike. Miss Taylor was a kindergarten teacher in the Lincoln School, coming to our system in 1898. Endowed with fine character, exceptional ability and an engaging personality, her place, like Miss Parker's will not easily be filled.

We continue to have a loyal, willing and able teaching staff who are striving diligently to always improve the caliber of our services. We are duly appreciative of the splendid cooperation that has existed between the teaching staff, school principals, the Superintendents and the School Committee. With the spirit that has been present during the past year Winchester has every reason to look forward to a high plane of educational achievement.

The appropriations and expenditures were as follows:

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Committee:

The past year has been one filled with activities and perplexing problems. The recommendations made by the survey committee have been studied with care. Where feasible and practical, the committee's suggestions are being carried out as rapidly as conditions permit.

Employment of Teachers — The employment of teachers remains a problem. For some years the schools have faced a high turn-over in the teaching staff. An annual loss of one teacher out of five seriously affects teaching efficiency. Several vacancies remained to be filled a short time before the opening of schools in September. After great difficulty, all places were filled. However, it is very hard to fill all vacancies with the calibre of teacher that this Town should have.

A new salary schedule, to go into effect in September, 1946, was adopted after careful study. The teachers and the School Committee worked closely together in formulating this. This schedule is based on the single salary idea, and compares quite favorably with those of near-by school systems. A copy has been given each teacher. It is hoped that this new schedule will enable our school system to attract and keep a very high type of teacher.

Curriculum Study and Improvement — As has been the policy for some years, various committees have been studying different phases of the school program. Reports have been made by committees on Elementary Science Books, Spelling, and Arithmetic. Immediately after the Christmas Holidays, Arithmetic Workbooks were placed in all second grade classes. Later in the year, a specialist in Arithmetic will be called in to give special advice and help in improving this work.

Miss Marian Phipps, who was a remedial reading teacher last year, has been made a reading consultant. Now, instead of confining her time to teaching a small per cent of pupils, she assists teachers with any questions concerning the reading program. Next year she will serve as reading consultant to the entire system.

The Metropolitan Achievement Tests were given to grades three, four, and five. Sixth grade pupils were given the Iowa Reading Test. Group tests were given in special cases, and many individual tests were given. The results of these tests, along with the judgment of the teachers, are being used as guides in improving the instructional program. One result of this testing program was the formation of a coach group at the Mystic School.

Miss Leonor Rich, a former teacher in Winchester, assumed the duties of Elementary Supervisor on October 1. Her duties keep her in very close touch with the daily problems of the classroom teacher.

The program in the Fine Arts has been strengthened considerably. There are now three teachers in the Music Department. Recently a Mr. Fred Felmet came in to assist especially in the instrumental program. There are two teachers or supervisors of Art.

As soon as building facilities are improved and enlarged, the Physical Education program will be extended. The program for elementary boys has already been expanded, and plans are being made to broaden the work in the Junior and Senior high school.

Committees of our teaching staff are now working on our programs in Arithmetic, Social Studies, the Secondary School Program, and our system of reports and records. Twice each month the Principals and Supervisors meet with the Superintendent to discuss problems that concern the entire system.

Visual materials are playing a greater part in the instructional program. As equipment is acquired and rooms made available, the teachers will have greater opportunities to use these teaching aids.

The High School library, although in quarters that are too small, has been of great help. Exhibits were displayed, lessons on using the library were given to all Sophomore English classes, and a library club was formed. Since there are no libraries in the Junior High and Elementary Schools, it is planned to add to the number of supplementary books in each classroom. Plans are

also being made to work out a co-operative arrangement whereby books from the Public Library will be circulated in the schools, and in connection with the daily work.

Work of School Physician and School Nurse — The same amount of time was given and the same program of medical inspection was given as has been done in previous years. Parents have been very cooperative in carrying out the recommendations of the Doctor and Nurse. The following points from the Doctor's and Nurse's reports may be of interest:

1. Six children in the elementary schools have irremediable defects. (6 out of 1273.)
2. No defects in feet were noted among elementary children.
3. Thirty-six elementary children had poor posture, and 230 had dental defects.
4. 1820 pupils were given the audiometer test.

OTHER MATTERS OF INTEREST

1. The amount of school savings reached an all time high with a balance of \$79,855.27.
2. Over 39 tons of waste paper were collected during the year.
3. The sale of war saving stamps and bonds amounted to \$40,191.60.
4. Thirty-five pupils left the High School to attend private schools. The reasons for withdrawal that are commonly given are: to get experience away from home, desires to improve work, religion and social reasons.
5. The unsatisfactory building situation continues at the Wyman, Wadleigh and the Junior High Schools. The High School building is a handicap to a good secondary school program also.

IN MEMORIAM

Since the last report, the following graduates of the High School have passed on while in the service of their country.

STATE HOUSE, BOSTON

May 25, 1945

To the Board of Selectmen
Mr. Ralph H. Bonnell, Chairman
Winchester, Massachusetts

Gentlemen:

I submit herewith my report of an audit of the books and accounts of the town of Winchester for the period from June 1, 1944 to April 23, 1945, made in accordance with the provisions of Chapter 44, General Laws. This is in the form of a report made to me by Mr. Herman B. Dine, Assistant Director of Accounts.

Very truly yours,
THEODORE N. WADDELL,
Director of Accounts.

Mr. Theodore N. Waddell
Director of Accounts
Department of Corporations and Taxation
State House, Boston

Sir:

In accordance with your instructions, I have made an audit of the books and accounts of the town of Winchester for the period from June 1, 1944, the date of the previous examination, to April 23, 1945, and report as follows thereon:

The records of financial transactions of the several departments receiving or disbursing money for the town, or committing bills for collection, were examined and verified with the treasurer's cash book and with the records of the town accountant.

The accountant's ledger accounts were analyzed, the appropriations as recorded being checked with the town clerk's record of town meetings, and the transfers being verified with the authorizations of the finance committee. A trial balance was taken off, and a balance sheet showing the financial condition of the town on April 23, 1945, was prepared and is appended to this report.

An examination of the aforementioned balance sheet indicates that the town is in excellent financial condition.

Approval vouchers and pay-rolls on file were examined and compared with the entries in the classification book.

The books and accounts of the town treasurer were examined and checked. The recorded receipts were compared with the records of the departments collecting money for the town, with all other sources from which money was paid into the town treasury, and with the accountant's books. The payments by the treasurer were compared with the selectmen's warrants authorizing the disbursement of town funds.

The cash balance on April 23, 1945, was verified by actual count of the cash in the office and by reconciliation of the bank balances with statements furnished by the banks of deposit.

The recorded payments on account of maturing debt and interest were proved with the amounts falling due and were checked with the cancelled securities and coupons on file.

The savings bank books and securities representing the investments of the trust and retirement funds were personally

examined. The income was proved, and all transactions were verified and compared with the treasurer's and the accountant's books and with the records of the Retirement Board.

The tax titles and tax possessions held by the town were listed, reconciled with the records of the collector, treasurer, and accountant, and checked with the records in the Registry of Deeds.

The books and accounts in the collector's office were examined and checked in detail. The taxes and assessments outstanding according to the previous examination and all subsequent commitments were audited and proved.

The collector's cash books were footed and the recorded collections were compared with the payments to the treasurer. The recorded abatements were checked with the assessors' record of abatements granted, and the taxes and assessments transferred to the tax title account were reconciled with the records of tax titles held by the town.

The outstanding taxes and assessments were listed and proved with the accountant's ledger accounts, and further verified by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the outstanding accounts, as listed, are correct.

The financial records of the town clerk were examined and checked in detail. The recorded receipts on account of licenses, recording fees, etc., were examined and checked in detail. The payments to the State and town were verified.

The financial records of the several departments, including those of the selectmen and of the sealer of weights and measures, as well as of the police, fire, school, library, and cemetery departments, were examined and checked. The recorded payments to the town treasurer were verified and the cash on hand in each department was proved by actual count.

It is recommended that the sealer of weights and measures make monthly payments to the treasurer, as required by Section 34, Chapter 98, General Laws.

The surety bonds furnished by the several town officials required by law to furnish such surety were examined and found to be in proper form.

For the co-operation rendered by all the town officials during the progress of the audit, I wish, on behalf of my assistants and for myself, to express appreciation.

REPORT OF THE TOWN ACCOUNTANT

FOR THE YEAR ENDING DECEMBER 31, 1945

Herewith is presented the report of the Town Accountant for the year ending December 31, 1945. The report is made in accordance with the requirements of the State System in Accounting.

Appended to this report is a balance sheet showing the financial condition of the Town as of December 31, 1945.

WILLIAM E. PRIEST,

Town Accountant.

As required by Sec. 50, Chapter 41, of the General Laws, I have verified the cash balances of all officers collecting money for the Town by an actual count of the cash and by reconciliation of bank balances as of December 31, 1945.

WILLIAM E. PRIEST,

Town Accountant.

Winchester, Mass., January 8, 1946.

Middlesex, ss.

Then personally appeared the above named William E. Priest and made oath that the foregoing statement made by him is correct and true to the best of his knowledge and belief.

Before me,
